SUPPLEMENTARY INFORMATION: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. OMB has approved and issued control numbers for the collections of information, described below, in PBGC's regulations relating to multiemployer plans (OMB approvals expire March 31, 2014, April 30, 2014, or July 31, 2014 (as specified below)).¹

The collections of information for which PBGC is requesting extension of OMB approval are as follows:

1. Termination of Multiemployer Plans (29 CFR Part 4041A) (OMB Control Number 1212-0020) (Expires March 31, 2014)

Section 4041A(f)(2) of ERISA authorizes PBGC to prescribe reporting requirements for and other "rules and standards for the administration of" terminated multiemployer plans. Section 4041A(c) and (f)(1) of ERISA prohibit the payment by a mass-withdrawal-terminated plan of lump sums greater than \$1,750 or of nonvested plan benefits unless authorized by PBGC.

The regulation requires the plan sponsor of a terminated plan to submit a notice of termination to PBGC. It also requires the plan sponsor of a mass-withdrawal-terminated plan that is closing out to give notices to participants regarding the election of alternative forms of benefit distribution and, if the plan is not closing out, to obtain PBGC approval to pay lump sums greater than \$1,750 or to pay nonvested plan benefits.²

PBGC uses the information in a notice of termination to assess the likelihood that PBGC financial assistance will be needed. Plan participants and beneficiaries use the information on alternative forms of benefit to make

¹ This notice does not cover Mergers and Transfers Between Multiemployer Plans (OMB Control Number 1212-0022, expires March 31, 2014) or Duties of Plan Sponsor Following Mass Withdrawal (OMB Control Number 1212-0032, expires May 31, 2014). Those information collections, which were included in PBGC's related "60-day notice" (78 FR 72128, Dec. 2, 2013), would be affected by PBGC's recent proposed rule on Multiemployer Plans; Valuation and Notice Requirements, 79 FR 4642 (Jan. 29, 2014). The proposed rule changes to those information collections are currently under review by OMB.

² Although the regulation would be affected by the recent proposed rule (see footnote 1), the proposal would not affect the information collection.
