**SUPPLEMENTARY INFORMATION:****I. Background**

The Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4101 *et seq.*) (NAHASDA) changed the way that housing assistance is provided to Native Americans. NAHASDA eliminated several separate assistance programs and replaced them with a single block grant program, known as the Indian Housing Block Grant (IHBG) program. In addition, Title VI of NAHASDA authorizes Federal guarantees for the financing of certain tribal activities (Title VI Loan Guarantee Program). The regulations governing the IHBG and Title VI Loan Guarantee programs are located in part 1000 of HUD's regulations in title 24 of the Code of Federal Regulations. In accordance with section 106 of NAHASDA, HUD developed the regulations with active tribal participation and using the procedures of the Negotiated Rulemaking Act of 1996 (5 U.S.C. 561–570).

The Native American Housing Assistance and Self-Determination Reauthorization Act of 2008 (Pub. L. 110–411, approved October 14, 2008) (NAHASDA Reauthorization) reauthorizes NAHASDA through September 30, 2013, and makes a number of amendments to the statutory

requirements governing the IHBG and Title VI Loan Guarantee programs. The NAHASDA Reauthorization amends section 106 of NAHASDA to provide that HUD shall initiate a negotiated rulemaking in order to implement aspects of the 2008 Reauthorization Act that require rulemaking. On January 5, 2010 (75 FR 423), HUD published a **Federal Register** notice announcing the final list of members of the negotiated rulemaking committee (the NAHASDA Reauthorization Rulemaking Committee).

## II. Negotiated Rulemaking Committee Meeting

The committee meeting will take place as described in the **DATES** and **ADDRESSES** sections of this document. The agenda planned for the meeting includes the discussion of protocols, timeframes, and scope of the rulemaking process, as well as setting of future meetings. The meeting will be open to the public without advance registration. Public attendance may be limited to the space available. Members of the public may be allowed to make statements during the meeting, to the extent time permits, and to file written statements with the committee for its consideration. Written statements should be submitted to the address listed in the **FOR FURTHER INFORMATION** section of this document.
