POSTAL SERVICE

Privacy Act of 1974; System of Records

AGENCY: Postal Service®.

ACTION: Notice of modified system of records.

SUMMARY: The United States Postal Service® (USPS) is proposing to modify one General Privacy Act System of Records (SOR) to support compliance of the Fair Chance to Compete for Jobs Act of 2019 (Fair Chance Act) which prohibits the Postal Service from inquiring into the criminal history of applicants before a conditional offer of employment has been made.

DATES: These revisions will become effective without further notice on February 21, 2024, unless responses to comments received on or before that date result in a contrary determination.

ADDRESSES: Comments may be submitted via email to the Privacy and Records Management Office, United States Postal Service Headquarters (USPSPrivacyFedRegNotice@usps.gov). To facilitate public inspection, arrangements to view copies of any written comments received will be made upon request.

FOR FURTHER INFORMATION CONTACT: Janine Castorina, Chief Privacy and Records Management Officer, Privacy and Records Management Office, via email at USPSPrivacyFedRegNotice@usps.gov or 202-268-2000.

SUPPLEMENTARY INFORMATION: This notice is in accordance with the Privacy Act requirement that agencies publish their systems of records in the **Federal Register** when there is a revision, change, or addition, or when the agency establishes a new system of records. The Postal Service has determined that General Privacy Act System of Records, USPS SOR 100.900 Employee Inquiry, Complaint, and Investigative Records, should be revised to promote transparency and support ongoing administrative and compliance activities to meet the Fair Chance Act requirements.

I. Background

The Postal Service must ensure that it is complying with Fair Chance to Compete for Jobs Act of 2019. The Fair Chance Act prohibits the Postal Service from inquiring into the criminal history of applicants before a conditional offer of employment has been made. An applicant who feels their rights under this law have been violated has 30 days from the date of violation to make a complaint to the Postal Service. The Postal Service will conduct a fact-finding investigation within 60 days of a complaint and submit all documents and findings to OPM.

II. Rationale for Changes to USPS Privacy Act Systems of Records

The Postal Service is committed to compliance with the Fair Chance Act. The proposed Privacy Act System of Records updates reflects this commitment to being transparent with the collection and usage of an individual's information as a required result of a formal filing of complaint against the Postal Service if the individual believes the Postal Service inquired into the criminal history of an

applicant before a conditional offer of employment has been made.

III. Description of the Modified System of Records

The Postal Service is proposing modifications to USPS SOR 100.900 Employee Inquiry, Complaint, and Investigative Records, in the summary of changes listed below:

- Updated SYSTEM MANAGERS to reflect the current Human Resource title.

- Added one CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM as bullet point #2 to include individuals specifically covered by the Fair Chance Act.

- Updated all three CATEGORIES OF RECORDS IN THE SYSTEM to include specific individual data elements and the full process of investigation to include decision and resolution of complaint.

- Updated administrative information in NOTIFICATION PROCEDURES to include individuals specifically covered by the Fair Chance Act.

Pursuant to 5 U.S.C. 552a(e)(11), interested persons are invited to submit written data, views, or arguments on this proposal. A report of the proposed revisions has been sent to Congress and to the Office of Management and Budget (OMB) for their evaluations. The Postal Service does not expect this amended system of records to have any adverse effect on individual privacy rights.
