In the proposed rule changes filed with the Commission by the Exchange regarding listing and trading of shares (“Shares”) of the iShares Gold Trust, iShares Silver Trust, and iShares S&P GSCI Commodity-Indexed Trust (each a “Trust” and, collectively, the “Trusts”), the Exchange described the information available on the respective Trust’s website regarding Trust holdings.⁷ The Exchange proposes to change certain representations regarding closing price and midpoint price information to be disseminated on the websites for the Trusts, as described below. The purpose of this proposed rule change is to (1) specify that each Trust will disseminate the applicable Official Closing Price for that Trust’s Shares;⁸ and (2) specify that each Trust will disseminate the midpoint of the national best bid and the national best offer as of the time the applicable net asset value (“NAV”) is calculated, as described below.

The Orders stated that each respective Trust would disseminate the closing price for the applicable Shares of a Trust. The Exchange proposes to clarify that the closing price that each Trust disseminates for a Trust’s Shares is the Official Closing Price, which is defined in NYSE Arca Rule 1.1(l).⁹ Such clarification would assist the Exchange in reviewing compliance with Exchange listing rules applicable to each Trust. The Trusts currently disseminate the

the iShares S&P GSCI Commodity-Indexed Trust currently is required to be available on the Trust’s website pursuant to the GSCI Order: (a) The prior business day’s NAV on a per Share basis and the reported closing price; (b) the mid-point of the bid-ask price in relation to the NAV as of the time the NAV is calculated (the “Bid-Ask Price”); (c) calculation of the premium or discount of such price against such NAV; (d) data in chart form displaying the frequency distribution of discounts and premiums of the Bid-Ask Price against the NAV, within appropriate ranges for each of the four previous calendar quarters; (e) the prospectus; (f) the holdings of the Trust, including CERFs, cash and Treasury securities; (g) the Basket Amount, and (h) other applicable quantitative information. The Basket Amount is the amount of CERFs and Short-Term Securities or cash that an Authorized Participant must deliver in exchange for one Basket.

⁷ iShares Delaware Trust Sponsor LLC is the sponsor (“Sponsor”) of the iShares Gold Trust, the iShares Silver Trust and iShares S&P GSCI Commodity-Indexed Trust.

⁸ The term “Official Closing Price” is defined in NYSE Arca Rule 1.1(l) as the reference price to determine the closing price in a security for purposes of Rule 7–E Equities Trading. The procedures for determining the Official Closing Price are set forth in Rule 1.1(l). See Securities Exchange Act Release No. 82907 (March 20, 2018), 83 FR 12980 (March 26, 2018) (SR–NYSEArca–2018–08) (Order Approving a Proposed Rule Change to Amend NYSE Arca Rule 1.1(l)) (“Official Closing Price Approval Order”). Official Closing Price. The Exchange believes that such price provides a specific and precise measure of the price of a Trust’s Shares for investors.¹⁰

The Orders stated that each respective Trust would disseminate the midpoint of the bid-ask price in relation to the NAV as of the time the NAV is calculated.¹¹ The Trusts currently disseminate the midpoint of the Exchange bid-ask in relation to NAV. The Exchange proposes to clarify and make more specific the representation regarding midpoint of the bid-ask price by stating that a Trust would make available the price that is the midpoint of the national best bid and national best offer (“NBBO”) as of the time the NAV is calculated. Such clarification would assist the Exchange in reviewing compliance with Exchange listing rules applicable to each Trust. The Exchange believes that making available the midpoint of the NBBO would continue to help provide investors and other market participants with complete and accurate information regarding pricing of a Trust’s Shares.

While NYSE Arca Rules 8.201–E and 8.203–E do not expressly require that a Trust provide website disclosure of its portfolio, the Trusts currently provide such disclosure and would continue to do so. Other than changes to information to be disclosed on a Trust’s website as described herein, each of the Trusts would continue to comply with all other listing requirements set forth in the Orders and in NYSE Arca Rules 8.201–E and 8.203–E, respectively.

The Exchange believes that the proposed website disclosure for the Trusts, together with the portfolio disclosures by the Trusts, would continue to facilitate effective arbitrage between the market price of a Trust’s Shares and its NAV.¹²

¹⁰ The Exchange notes that the term “official closing price” satisfies the definition of “market price” in Rule 6c–11 under the Investment Company Act of 1940 (“1940 Act”) (15 U.S.C. 80a–1) applicable to exchange-traded funds (“ETFs”) eligible to rely on Rule 6c–11. Such ETFs are required to disseminate a market price on their website. See Release Nos. 33–10695; IC–33646; File No. S7–15–18 (Exchange-Traded Funds) (September 25, 2019), 84 FR 57162 (October 24, 2019) (the “Rule 6c–11 Release”).

¹¹ As stated in the Orders and the Amex Gold Notice, the bid-ask price of Shares of the applicable Trust is determined using the highest bid and lowest offer as of the time of calculation of the NAV.

¹² Investors can access each Trust’s website at no cost. Investors also can access, for the iShares Gold Trust, the gold spot price and gold futures prices, and for the iShares Silver Trust, the silver spot price and silver futures prices through major market data vendors. The applicable Indicative Trust Value for each Trust is available through one or more major market data vendors. The NAV per Share for each Trust for the iShares Gold Trust, the Basket

2. Statutory Basis

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(5) of the Act that an exchange have rules that are designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to, and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest.

The Exchange proposes to clarify that each Trust will disseminate for a Trust’s Shares the Official Closing Price, which is defined in NYSE Arca Rule 1.1(l).¹³ The Exchange believes that such price provides a specific and precise measure of the price of a Trust’s Shares for investors.¹⁴

The Exchange also proposes to clarify and make more specific the representation regarding midpoint of the bid-ask price by stating that a Trust would make available the price that is the midpoint of the national best bid and NBBO as of the time the NAV is calculated. Consistent with Section 6(b)(1) of the Act,¹⁵ such clarification would assist the Exchange in reviewing compliance with Exchange listing rules applicable to each Trust. The Exchange believes that making available the midpoint of the NBBO would continue to help provide investors and other market participants with complete and accurate information regarding pricing of a Trust’s Shares.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The Exchange believes that the proposed rule change would provide enhanced website disclosure for the Trusts, as described above, to the benefit of investors and the marketplace.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

Gold Amount and Indicative Basket Gold Amount; and, for the iShares Silver Trust, the Basket Silver Amount and Indicative Basket Silver Amount are available on the applicable Trust’s website.

¹³ See note 8, *supra*.

¹⁴ See note 10, *supra*.

¹⁵ Section 6(b)(1) of the Act (15 U.S.C. 78f(b)(1)) requires (among other things) that a national securities exchange be organized and have the capacity to comply with its own rules.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁶ and Rule 19b-4(f)(6) thereunder.¹⁷ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁸ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because it would permit the Trusts to immediately disseminate enhanced price and other information, as described herein. The Commission notes that other than changes to information to be disclosed on a Trust's website as described herein, each of the Trusts would continue to comply with all other listing requirements set forth in the Orders and the Amex Gold Notice and in NYSE Arca Rules 8.201-E and 8.203-E, respectively. The Commission therefore waives the 30-day operative delay and designates the proposed rule change to be operative upon filing.²⁰

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of

investors, or otherwise in furtherance of the purposes of the Act.
