[Docket No. 2020-0387]

# Agency Information Collection Activities: Requests for Comments; Clearance of a Renewed Approval of Information Collection: Domestic and International Flight Plans

**AGENCY:** Federal Aviation Administration (FAA), DOT. **ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The collection involves extracting flight data such as aircraft, routing speed, etc. from domestic and international flights. FAA Form 7233–1, Flight Plan: Domestic flight plan information is used to govern the flight of aircraft for the protection and identification of aircraft and property and persons on the ground. The information is used by air traffic controllers, search and rescue (SAR) personnel, flight standards inspectors, accident investigators, military, law enforcement, and the Department of Homeland Security. FAA Form 7233-4, International Flight Plan: International flight plan information is used for the same purposes as domestic flight plans;

in addition, it is used by Customs and international controllers.

**DATES:** Written comments should be submitted by August 28, 2020.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/ PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

# FOR FURTHER INFORMATION CONTACT:

Aldwin Humphrey by email at: aldwin.humphrey@faa.gov; phone: 703– 786–9859.

## SUPPLEMENTARY INFORMATION:

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information.

OMB Control Number: 2120–0026. Title: Domestic and International Flight plans.

Form Numbers: FAA form7233–1 Domestic Flight Plan, FAA form 7233– 4 International Flight Plan.

*Type of Review:* Renewal of information collection.

Background: The Federal Aviation Administration (FAA) is authorized and directed by Title 49, United States Code, paragraph 40103(b), to prescribe air traffic rules and regulations governing the flight of aircraft for the protection and identification of aircraft and property and persons on the ground. Title 14, CFR, Part 91, Subchapter F, prescribes flight rules governing the operation of aircraft within the United States. These rules govern the operation of aircraft (other than moored balloons, kites, unmanned rockets and unmanned free balloons) within the United States and for flights across international
