NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice.

SUMMARY: NARA is giving public notice that the agency proposes to renew the information collections described in this notice, which are used in the National Historical Publications and Records Commission (NHPRC) grant program. The public is invited to comment on the proposed information collections pursuant to the Paperwork Reduction Act of 1995.

DATES: Written comments must be received on or before August 6, 2002 to be assured of consideration.

ADDRESSES: Comments should be sent to: Paperwork Reduction Act Comments (NHP), Room 4400, National Archives and Records Administration, 8601 Adelphi Rd, College Park, MD 20740-6001; or faxed to 301-837-3213; or electronically mailed to tamee.fechhelm@nara.gov.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the proposed information collections and supporting statements

should be directed to Tamee Fechhelm at telephone number 301-837-1694, or fax number 301-837-3213.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104-13), NARA invites the general public and other Federal agencies to comment on proposed information collections. The comments and suggestions should address one or more of the following points: (a) Whether the proposed information collections are necessary for the proper performance of the functions of NARA; (b) the accuracy of NARA's estimate of the burden of the proposed information collections; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of information technology. The comments that are submitted will be summarized and included in the NARA request for Office of Management and Budget (OMB) approval. All comments will become a matter of public record. In this notice, NARA is soliciting comments concerning the following information collections:

1. *Title:* Application for attendance at the Institute for the Editing of Historical Documents.

OMB number: 3095-0012.

Agency form number: None.

Type of review: Regular.

Affected public: Individuals, often already working on documentary editing projects, who wish to apply to attend the annual one-week Institute for the Editing of Historical Documents, an intensive seminar in all aspects of modern documentary editing techniques taught by visiting editors and specialists.

Estimated number of respondents: 25.

Estimated time per response: 1.5 hours.

Frequency of response: On occasion, no more than annually (when respondent wishes to apply for attendance at the Institute).

Estimated total annual burden hours: 37.5 hours.

Abstract: The application is used by the NHPRC staff to establish the applicants' qualifications and to permit selection of those individuals best qualified to attend the Institute jointly sponsored by the NHPRC, the State Historical Society of Wisconsin, and the University of Wisconsin. Selected applicants' forms are forwarded to the resident advisors of the Institute, who use them to determine what areas of instruction would be most useful to the applicants.

2. *Title:* National Historical Publications and Records Commission Grant Program.

OMB number: 3095-0013.

Agency form number: None.

Type of review: Regular.

Affected public: Nonprofit organizations and institutions, state and local government agencies, Federally acknowledged or state-recognized Native American tribes or groups, and individuals who apply for NHPRC grants for support of historical documentary editions, archival preservation and planning projects, and other records projects.

Estimated number of respondents: 134 per year submit applications; approximately 100 grantees among the applicant respondents also submit semiannual narrative performance reports.

Estimated time per response: 54 hours per application; 2 hours per narrative report.

Frequency of response: On occasion for the application; semiannually for the narrative report. Currently, the NHPRC considers grant applications 2 times per year; respondents usually submit no more than one application per year.

Estimated total annual burden hours: 7,636 hours.

Abstract: The application is used by the NHPRC staff, reviewers, and the Commission to determine if the applicant and proposed project are eligible for an NHPRC grant, and whether the proposed project is methodologically sound and suitable for support. The narrative report is used by the NHPRC staff to monitor the performance of grants.

3. *Title:* Applications for Archival Administration and Historical Documentary Editing Fellowships.

OMB number: 3095-0014.

Agency form number: None.

Type of review: Regular.

Affected public: Individuals who wish to apply for an NHPRC fellowship in archival administration or historical documentary editing. Applicants for the archival administration fellowship must have at least two years professional archival work experience; applicants for the editing fellowship must hold a Ph.D. or have completed all requirements for the degree except the dissertation.

Estimated number of respondents: 9.

Estimated time per response: 8 hours.

Frequency of response: Generally one-time.

Estimated total annual burden hours: 72 hours.

Abstract: The application is used by the NHPRC staff to establish the applicants' qualifications and to permit selection by the host institution of those

individuals best qualified for the fellowships. One fellowship in archival administration and one fellowship in historical editing are awarded each year.

4. **Title:** Application for host institutions of archival administration and historical editing fellowships.

OMB number: 3095-0015.

Agency form number: None.

Type of review: Regular.

Affected public: Nonprofit institutions or organizations that have active archival or special collections programs, and historical documentary publication projects that have received an NHPRC grant.

Estimated number of respondents: 9.

Estimated time per response: 17 hours.

Frequency of response: Generally, one-time although an institution may apply in subsequent years.

Estimated total annual burden hours: 153 hours.

Abstract: The application is used by the NHPRC staff to select applicants to serve as host institutions for the two fellowships supported by the NHPRC each year.

Dated: May 30, 2002.

L. Reynolds Cahoon,

Assistant Archivist for Human Resources and Information Services.

NATIONAL SCIENCE FOUNDATION

Agency Information Collection

Activities: Comment Request

AGENCY: National Science Foundation.

ACTION: Submission for OMB review; comment request.

SUMMARY: Under the Paperwork Reduction Act of 1995, Public Law 104-13 (44 U.S.C. 3501 *et seq.*), and as part of its continuing effort to reduce paperwork and respondent burden, the National Science Foundation (NSF) is inviting the general public and other Federal agencies to comment on this proposed continuing information collection. This is the second notice for public comment; the first was published in the **Federal Register** at 67 FR 8563 and no comments were received. NSF is forwarding the proposed submission to the Office of Management and Budget (OMB) for clearance simultaneously with the publication of this second notice.

DATES: Comments regarding these information collections are best assured of having their full effect if received by OMB within 30 days of publication in the **Federal Register**.

ADDRESSES: Written comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of NSF, including whether the information will have practical utility; (b) the accuracy of NSF's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; or (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Office of Information and Regulatory Affairs of OMB, Attention: Desk Officer for National Science Foundation, 725-17th Street, NW., Room 10235, Washington, DC 20503, and to Suzanne H. Plimpton, Reports Clearance Officer, National Science Foundation, 4201 Wilson Boulevard, Suite 295, Arlington, Virginia 22230 or send email to splimpto@nsf.gov. Copies of the submission may be obtained by calling (703) 292-7556.

FOR FURTHER INFORMATION CONTACT:

Suzanne H. Plimpton, NSF Reports Clearance Officer at (703) 292-7556 or send e-mail to splimpto@nsf.gov.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

SUPPLEMENTARY INFORMATION: *Title of Collection:* Fellowship Application and Award Forms.

OMB Control No.: 3145-0023.

Abstract: Section 10 of the National Science Foundation Act of 1950 (42 U.S.C. 1861 *et seq.*), as amended, states that "The Foundation is authorized to award, within the limits of funds made available * * * scholarships and graduate fellowships for scientific study or scientific work in the mathematical physical, medical, biological, engineering, social, and other sciences at appropriate nonprofit American or nonprofit foreign institutions selected by the recipient of such aid, for stated periods of time."

The Foundation Fellowship Programs are designed to meet the following objectives:

- To assure that some of the Nation's most talented students in the sciences

obtain the education necessary to become creative and productive scientific researchers.

- To train or upgrade advanced scientific personnel to enhance their abilities as teachers and researchers.
- To promote graduate education in the sciences, mathematics, and engineering at institutions that have traditionally served ethnic minorities.
- To encourage pursuit of advanced science degrees by students who are members of ethnic groups traditionally under-represented in the Nation's advanced science personnel pool.

The list of fellowship award programs sponsored by the Foundation includes, but may not be limited to, the following:

NSF Graduate Research Fellowships

Graduate Fellowships

Minority Graduate Fellowships

Mathematical Sciences Postdoctoral Research Fellowships

NSF-NATO Postdoctoral Fellowships and Supporting Engineering

Minority Postdoctoral Research Fellowships and Supporting Activities

Postdoctoral Research Fellowships in Microbial Biology

Postdoctoral Research Fellowships in Biological Informatics

Ridge Inter-Disciplinary Global Experiments

Advanced Study Institute Travel Awards

International Opportunities for Scientists and Engineers

Japan Research Fellows

North American Research Fellows

International Research Fellows

Estimate of Burden: These are annual award programs with application deadlines varying according to the fellowship program. Public burden may also vary according to program, however it is estimated that each submission is averaged to be 12 hours per respondent.

Respondents: Individuals.

Estimated Number of Responses: 13,000.

Estimated Total Annual Burden on Respondents: 156,000 hours.

Frequency of Responses: Annually.

Dated: June 4, 2002.
