

has granted the request of Entergy Nuclear Operations, Inc. (the licensee) to withdraw its January 13, 2011 (Agencywide Documents and Management System (ADAMS) Accession No. ML110130436), application for the proposed amendment to Renewed Facility Operating License (FOL) No. DPR-59 for the James A. FitzPatrick Nuclear Power Plant, located in Oswego County, New York.

The proposed amendment would have modified the Renewed FOL by deleting references to specific Safety Evaluation Reports, Technical Specification Amendments, and Exemptions from License Condition 2.C(3), Fire Protection, and replacing them with the words “as supplemented.”

The Commission had previously issued a Notice of Consideration of Issuance of Amendment published in the **Federal Register** on February 22, 2011 (76 FR 9823). However, by letter dated January 4, 2012 (ADAMS Accession No. ML120050483), the licensee withdrew the proposed change.

For further details with respect to this action, see the application for amendment dated January 13, 2011, and the licensee's letter dated January 4, 2012, which withdrew the application for license amendment. ## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66122; File No. SR-Phlx-2011-186]

### Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify Fees Applicable to the Trading of NMS Stocks Through NASDAQ OMX PSX

January 10, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

(“Act”);<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on December 28, 2011, NASDAQ OMX PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify the fees applicable to trading on the NASDAQ OMX PSX system (“PSX”). The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqomxphlx.cchwallstreet.com/NASDAQOMXPHLX/Filings/>, at the principal office of the Exchange, on the Commission's Web site at <http://www.sec.gov>, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange is proposing to modify order routing fees applicable to the use of PSX's PMOP routing strategy. PMOP is a routing option under which an incoming order routes only to Protected Quotations (as defined in SEC Rule 600 under Regulation NMS),<sup>3</sup> and only for the displayed size of such quotes. If shares remain unexecuted after routing, they are posted to the PSX book and do not route out again. Currently, the Exchange charges \$0.0025 per share executed with respect to PMOP orders that execute at the New York Stock Exchange (“NYSE”) and \$0.0035 per

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> 17 CFR 242.600.

share executed with respect to PMOP orders that execute at other trading venues. The Exchange is proposing to reduce the fee for PMOP orders that execute at other venues to \$0.0031 per share executed.

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,<sup>4</sup> in general, and with Sections 6(b)(4) of the Act,<sup>5</sup> in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which Phlx operates or controls. In general, routing fees are reasonable because they seek to recoup the cost of the execution on the other venue, which is generally borne by the order router and, ultimately, the routing exchange. The proposed change reflects a reduction in fees in order to make the routing services of PSX more attractive to potential customers.

The Exchange also believes that the proposed change is equitable. All similarly situated members are subject to the same fee structure, and access to Phlx is offered on fair and non-discriminatory terms; specifically, the same routing fee, credit or pass through fee applies to any participant and does not differ based on user type (e.g., customer or broker-dealer). The Exchange further believes that the fee for the PMOP routing strategy is equitable because PMOP is a complex routing strategy that it involves ascertaining all venues displaying a protected quote and the simultaneous routing of orders to the displayed size of such quotes; accordingly, the Exchange believes that charging a higher fee with respect to the strategy as compared with other strategies is equitable. Nevertheless, the change will reduce the difference between PMOP fees and fees for the use of other strategies, thereby enhancing the competitiveness of the Exchange's routing services.

Furthermore, the new routing fees are reasonable and equitable in that the decision to send routable orders and to use PHLX as a router is entirely voluntarily; members can avail themselves of numerous other means of directing orders to other venues, including becoming members of those markets or using any of a number of competitive routing services offered by other exchanges and brokers.

## *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Because the market for order execution and routing is extremely competitive, members may readily favor the Exchange's competitors in making order routing decisions to the extent that they deem PSX's fees to be excessive. Moreover, the Exchange believes that the proposal will enhance competition through its use of reduced fees to draw greater order flow to PSX.

## *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

## **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.<sup>6</sup> At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

## **IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
