

regulations related to fiduciary duties and the prohibited transaction provisions that may be applicable to the activities of the DB QPAMs;

(ii) The Compliance Officer prepares a written report for each Annual Review (each, an Annual Report) that: (A) summarizes their material activities during the preceding year; (B) sets forth any instance of noncompliance discovered during the preceding year, and any related corrective action; (C) details any change to the Policies or Training to guard against any similar instance of noncompliance occurring again; and (D) makes recommendations, as necessary, for additional training, procedures, monitoring, or additional and/or changed processes or systems, and management's actions on such recommendations;

(iii) In each Annual Report, the Compliance Officer must certify in writing that to the best of their knowledge at the time: (A) the report is accurate; (B) the Policies and Training are working in a manner which is reasonably designed to ensure that the Policies and Training requirements described herein are met; (C) any known instance of noncompliance during the preceding year and any related correction taken to date have been identified in the Annual Report; and (D) the DB QPAMs have complied with the Policies and Training and/or corrected (or is correcting) any known instances of noncompliance in accordance with Section III(h) above;

(iv) Each Annual Report must be provided to: (A) the appropriate corporate officers of Deutsche Bank and each DB QPAM to which such report relates, and (B) the head of compliance and the DB QPAM's general counsel (or their functional equivalent) of the relevant DB QPAM; and must be made unconditionally available to the independent auditor described in Section III(i) above;

(v) Each Annual Review, including the Compliance Officer's written Annual Report, must be completed within three (3) months following the end of the period to which it relates;

(n) Each DB QPAM will maintain records necessary to demonstrate that the conditions of this exemption have been met, for six (6) years following the date of any transaction for which the DB QPAM relies upon the relief in the exemption;

(o) During the Exemption Period, Deutsche Bank: (1) immediately discloses to the Department any Deferred Prosecution Agreement (a DPA) or a Non-Prosecution Agreement (an NPA) with the U.S. Department of Justice, entered into by Deutsche Bank

any of its affiliates in connection with conduct described in Section I(g) of PTE 84–14 and/or ERISA section 411; and (2) immediately provides the Department any information requested by the Department, as permitted by law, regarding the agreement and/or conduct and allegations that led to such agreement;

(p) Within 60 days after the effective date of this exemption, each DB QPAM, in its agreements with, or in other written disclosures provided to Covered Plans, clearly and prominently informs Covered Plan clients of the Covered Plan's right to obtain a copy of the Policies or a description (Summary Policies), which accurately summarizes key components of the QPAM's written Policies developed in connection with this exemption. If the Policies are thereafter changed, each Covered Plan client must receive a new disclosure within six (6) months following the end of the calendar year during which the Policies were changed. If the Applicant meets this disclosure requirement through Summary Policies, changes to the Policies shall not result in the requirement for a new disclosure unless, as a result of changes to the Policies, the Summary Policies are no longer accurate. With respect to this requirement, the description may be continuously maintained on a website, provided that such website link to the Policies or the Summary Policies is clearly and prominently disclosed to each Covered Plan;

(q) A DB QPAM will not fail to meet the terms of this exemption, solely because a different DB QPAM fails to satisfy a condition for relief described in Sections III(c), (d), (h), (i), (j), (k), (l), (n) and (p) or if the independent auditor described in Section III(i) fails to comply with a provision of the exemption, other than the requirement described in Section III(i)(11), provided that such failure did not result from any actions or inactions of Deutsche Bank or its affiliates;

(r) Deutsche Bank imposes its internal procedures, controls, and protocols to reduce the likelihood of any recurrence of conduct that is the subject of the U.S. Conviction and the 2021 DPA;

(s) All the material facts and representations set forth in the Summary of Facts and Representations are true and accurate;

(t) With respect to an asset manager that becomes a DB QPAM after the effective date of the exemption by virtue of being acquired (in whole or in part) by DB or a subsidiary or affiliate of DB (a "newly-acquired DB QPAM"), the newly-acquired DB QPAM would not be precluded from relying on the

exemptive relief provided by PTE 84–14 notwithstanding the U.S. Conviction as of the closing date for the acquisition; however, the operative terms of the exemption shall not apply to the newly-acquired DB QPAM until a date that is six (6) months after the closing date for the acquisition. To that end, the newly acquired DB QPAM will initially submit to an audit pursuant to Section III(i) of this exemption as of the first audit period that begins following the closing date for the acquisition. The period covered by the audit must begin on the date on which the DB QPAM was acquired; and

(u) The DB QPAM(s) must provide the Department with the records necessary to demonstrate that each condition of this exemption has been met within 30 days of a request for the records by the Department.

Exemption Date: This exemption will be in effect beginning on April 18, 2024, and ending on April 17, 2027.

SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers’ Compensation Programs (OWCP) is the agency responsible for administration of the Federal Employees’ Compensation Act (FECA), 5 U.S.C. 8101—administered by the Division of Federal Employees’ Compensation Program; the Black Lung Benefits Act (BLBA), 30 U.S.C. 901—administered by the Division of Coal Miner Workers’ Compensation Program; and the Energy Employees Occupational Illness Compensation Program Act of 2000 (EEOICPA), 42 U.S.C. 7384 administered by the Division of Energy Employees Occupational Illness Compensation Programs. All three of these statutes require that OWCP pay for medical treatment of beneficiaries; BLBA also requires that OWCP pay for medical examinations and related diagnostic services to determine eligibility for benefits under that statute. In order to determine whether billed amounts are appropriate, OWCP needs to identify the patient, the injury or illness that was treated or diagnosed, the specific services that were rendered

and their relationship to the work-related injury or illness. The regulations implementing these statutes require the use of Form OWCP–1500 for medical bills submitted by certain physicians and other providers (20 CFR 10.801, 20 CFR 725.704, 30.701, 725.405, 725.406(e), 725.701 and 725.715).

II. Desired Focus of Comments

OWCP is soliciting comments concerning the proposed information collection related to the Health Insurance Claim Form (OWCP–1500).

OWCP is particularly interested in comments that:

- Evaluate the accuracy of OWCP’s estimate of the burden related to the information collection, including the validity of the methodology and assumptions used in the estimate;
- Suggest methods to enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the information collection on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
