SUPPLEMENTARY INFORMATION: The BLM has filed a petition/application requesting the Secretary of the Interior to withdraw the following described public lands from location and entry under the United States mining laws, subject to valid existing rights, but not from leasing under the mineral and geothermal leasing laws or disposal under the Mineral Materials Act of 1947, for a period of 50 years.

Boise Meridian, Idaho

T. 4 S., R. 3 W.,
Sec. 31, lots 4 and 5, W $\frac{1}{2}$ NE $\frac{1}{4}$ SE $\frac{1}{4}$ and
E $\frac{1}{2}$ NW $\frac{1}{4}$ SE $\frac{1}{4}$;
T. 5 S., R. 3 W.,
Sec. 6, lots 11, 12, 68, 78, 99, 100, and 106
thru 110.
The areas described aggregate 311.09 acres
in Owyhee County.

The Secretary of the Interior has approved the petition to file a withdrawal application. The Secretary's approval constitutes her proposal to withdraw and segregate the subject lands (43 CFR 2310.1-3(e)).

The use of a right-of-way, interagency agreement or cooperative agreement, or surface management under 43 CFR subpart 3809 regulations would not adequately constrain non-discretionary uses and would not provide adequate protection for historic and recreational values on these lands.

Water rights will not be needed to fulfill the purpose of the proposed withdrawal.

There are no suitable alternative sites, as the described public lands were specifically selected since they occur within and immediately around the Silver City National Historic Site boundary.

For a period until January 16, 2024, persons who wish to submit comments,

suggestions, or objections related to the withdrawal application may present their views in writing to the Bureau of Land Management Idaho State Office at the address listed above. Comments will be available for public review by appointment at the BLM Idaho State Office during regular business hours, 8 a.m. to 4:30 p.m., Monday through Friday, except Federal holidays.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personally identifying information—may be made publicly available at any time. You may ask the BLM in your comment to withhold your personal identifying information from public review, but we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives of officials of organizations or businesses, will be made available for public inspection in their entirety.

Notice is hereby given that the opportunity for a public meeting is afforded in connection with the withdrawal application. All interested parties who desire a public meeting for the purpose of being heard on the withdrawal application must submit a written request to the Bureau of Land Management Idaho State Office at the address indicated above by January 16, 2024. If the Authorized Officer determines that the BLM will hold a public meeting, the BLM will publish a notice of the time and place in the **Federal Register** and a local newspaper at least 30 days before the scheduled date of the meeting.

For a period until October 17, 2025, subject to valid existing rights, the public lands described in this notice will be segregated from location and entry under the United States mining laws, but not from leasing under the mineral and geothermal leasing laws, or disposal under the Mineral Materials Act of 1947, while the withdrawal application is being processed, unless the application is denied, canceled, or the withdrawal is approved prior to that date.

The public lands described in this notice would remain open to such forms of disposition as may be allowed by law on the public lands. Licenses, permits, cooperative agreements, or discretionary land use authorizations of a temporary nature and which would not significantly impact the values to be protected by the requested withdrawal may be allowed with the approval of the

authorized officer during the temporary segregation period.

This withdrawal application will be processed in accordance with the regulations set forth in 43 CFR part 2300.

(Authority: 43 U.S.C. 1714)

Karen Kelleher,
Idaho State Director.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 29, 2022, based on a complaint filed by Bell Semiconductor, LLC of Bethlehem, Pennsylvania (the "Complainant"). 87 FR 73330-31 (Nov. 29, 2022). The complaint, as

supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain semiconductor devices having layered dummy fill, electronic devices, and components thereof by reason of infringement of certain claims of U.S. Patent No. 7,396,760. The notice of investigation named fifteen respondents. *Id.* The Office of Unfair Import Investigations (“OUII”) was also named as a party to the investigation. *Id.*

Twelve of the named respondents have been terminated from the investigation. Order No. 12 (Jan. 11, 2023), *unreviewed by* Comm’n Notice (Feb. 8, 2023), Order No. 20 (Mar. 14, 2023), *unreviewed by* Comm’n Notice (Apr. 3, 2023), and Order No. 21 (Mar. 28, 2023) *unreviewed by* Comm’n Notice (Apr. 21, 2023). The three remaining respondents are Omnivision Technologies, Inc., Skyworks Solutions, Inc., and Arlo Technologies, Inc. (the “Respondents”).

On May 8, 2023, Complainant filed a motion to terminate the investigation based on the withdrawal of its allegations against the three remaining Respondents, pursuant to an agreement with non-party Siemens Industry Software, Inc. (“Siemens”). On June 9, 2023, the presiding CALJ issued Order No. 23 granting the motion to terminate the investigation.

On July 11, 2023, the Commission determined to review Order No. 23, and on review, vacated the termination of the investigation and remanded the investigation for further proceedings, because Complainant did not comply with Commission Rule 210.21(a)(1), which requires filing a copy of “any agreements concerning the subject matter of the investigation.” 19 CFR 210.21(a)(1).

On September 1, 2023, Complainant filed a renewed motion to terminate the investigation based on the withdrawal of its allegations against the three remaining Respondents, attaching a copy of its agreement with non-party Siemens. On September 13, 2023, OUII filed a response in support of the renewed motion. No other responses were filed.

On September 14, 2023, the presiding CALJ issued the subject ID granting the renewed motion to terminate the investigation and finding that Complainant complied with the requirements of Commission Rule 210.21(a)(1). No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID. The investigation is hereby terminated in its entirety.

The Commission vote for this determination took place on October 11, 2023.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.
