

policies that CMS is considering for the future design and implementation of MVPs that were not addressed in the CY 2021 PFS proposed rule. The feedback provided during this meeting will assist us in evaluating and developing MVP policies to be included in future rulemaking.

II. Town Hall Meeting Format and Conference Call/Webinar

A. Format of the Town Hall Meeting

This Town Hall meeting will function as a discussion forum for interested parties to provide feedback on the future of MVP implementation. Therefore, we will post information concerning the MVP topics to be discussed, as specified in the **DATES** section of this notice at the website specified in the **ADDRESSES** section of this notice. Registrants are expected to check the website for updates and review the materials prior to the meeting. Registrants will receive an email notification once the materials are live on the website.

The meeting will consist of morning and afternoon sessions, with distinct topics covered in each session. Proposed topics for discussion in each session are subject to change as priorities dictate. The following topics will be covered:

- An overview of the objectives of the meeting followed by a presentation of the topics to be discussed, including an overview of how groups can form subgroups and report MVPs as subgroups
- An overview of MVP design including, but not limited to MVP scoring policies, and measures and activities within MVPs.
- An opportunity for registered participants to provide feedback. Therefore, a portion of the meeting will be reserved for participants to ask questions and provide verbal comments on the Town Hall Agenda topics. Participants will be able to submit questions verbally and through an online chat box. Time for participants to provide feedback and ask questions will be limited based on the number of participants who want to provide verbal feedback and ask questions.

B. Conference Call and Webinar Information

Registered participants interested in attending the Town Hall meeting will be able to view and participate in the Town Hall meeting via webinar. An open toll-free phone line will be made available. Information on the webinar will be provided through an upcoming listserv notice and posted on the Quality Payment Program website at <https://>

qpp.cms.gov/about/resource-library. Continue to check the website for updates.

III. Registration Instructions

Ketchum, a CMS contractor, is coordinating meeting registration. While there is no registration fee, individuals planning to attend the Town Hall meeting must register to attend. Use the link in the **ADDRESSES** section of this notice to register. You will receive a registration confirmation.

A recording and transcript of the Town Hall meeting will be posted on <https://qpp.cms.gov/about/resource-library> following the event.

Administration for Children and Families

Submission for OMB Review; Voluntary Acknowledgment of Paternity and Required Data Elements for Paternity Establishment Affidavits (OMB #0970–0171)

AGENCY: Office of Child Support Enforcement, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Office of Child Support Enforcement (OCSE), Administration for Children and Families (ACF), U.S. Department of Health and Human Services, is requesting a 3-year extension of the Voluntary Acknowledgment of Paternity and Required Data Elements for Paternity Establishment Affidavits (OMB #0970–0171). There are no changes requested to the form, but burden estimates have been adjusted.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect

if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION:

Description: Section 466(a)(5)(C) of the Social Security Act requires states to enact laws ensuring a simple civil process for voluntarily acknowledging paternity via an affidavit. The development and use of an affidavit for the voluntary acknowledgment of paternity would include the minimum requirements of the affidavit specified by the Secretary of Health and Human Services under section 452(a)(7) of the Social Security Act and give full faith and credit to such an affidavit signed in any other state according to its procedures. The state must provide that, before a mother and putative father can sign a voluntary acknowledgement of paternity, the mother and putative father must be given notice, orally and in writing, of the alternatives to, the legal consequences of, and the rights (including any rights, if one parent is a minor, due to minority status) and responsibilities of acknowledging paternity. The affidavits will be used by hospitals, birth record agencies, and other entities participating in the voluntary paternity establishment program to collect information from the parents of nonmarital children.

Respondents: The parents of nonmarital children, state and tribal agencies operating child support programs under Title IV–D of the Social Security Act, hospitals, birth record agencies, and other entities participating in the voluntary paternity establishment program.

Annual Burden Estimates

Since the previous approval of this information collection in 2017, there have been changes to the level of burden estimated due to an increase in the estimated number of partners involved in the voluntary paternity acknowledgment program by about 87,000 entities, and a change to the method of calculating the *Paternity Acknowledgement Process*. The current calculation is a more accurate method, using the number of nonmarital births (rather than the previously used universe of possible entities that could provide the service) and results in a

decrease in estimated burden for this activity. Finally, burden estimates were updated from the initial **Federal Register** Notice related to this

information collection (85 FR 47216) to correct a typo (no impact on overall burden estimates) and to use more current data (FY19 versus FY18) to

calculate the burden for the *Paternity Acknowledgement Process*.

Instrument	Annual number of respondents	Annual number of responses per respondent	Average annual burden hours per response	Annual burden hours
Training	134,685	1	1	134,685
Paternity Acknowledgment Process	1,433,606	1	0.17	243,713
Data Elements	54	1	1	54
Ordering Brochures	2,693,693	1	.08	215,495

Estimated Total Annual Burden Hours: 593,947.

Authority: 42 U.S.C. 666(a)(5)(C) and 652(a)(7).
