**SUPPLEMENTARY INFORMATION:**

**ESA-Listed Species Covered in This Notice**

- Puget Sound Chinook salmon (*Oncorhynchus tshawytscha*): threatened, naturally and artificially propagated;
- Puget Sound Steelhead (*O. mykiss*): threatened, naturally and artificially propagated.

**Background**

The term “take” is defined under the Endangered Species Act (ESA) to mean harass, harm, pursue, hunt, shoot, wound, kill, trap, capture, or collect, or to attempt to engage in any such conduct. The ESA prohibits the take of endangered salmonids and, pursuant to ESA section 4(d), ESA regulations can be extended to prohibit the take of threatened salmonids. However, NMFS may make exceptions to the take prohibitions for hatchery programs that are approved by NMFS under the limits on the prohibitions outlined in 50 CFR 223.203(b). The operators, Lummi Nation and WDFW, collaborating with tribal co-manager Nooksack Indian Tribe, have submitted twelve HGMPs to NMFS pursuant to NMFS’ limit six of the 4(d) Rule of the ESA for hatchery activities in the Nooksack River basin and Strait of Georgia, Washington. Chinook, coho, and chum salmon hatchery programs will be operated at Skookum Creek, Kendall Creek, Samish, Glenwood Springs, Whatcom Creek, and Lummi Bay hatcheries.

The hatchery programs are designed to contribute to the survival and recovery of Nooksack River Chinook salmon and provide salmon for harvest augmentation purposes. These hatchery programs are intended to contribute to fulfilling federal tribal treaty rights affirmed in *U.S. v. Washington* (1974) by enhancing future fishing opportunities for Chinook, coho, and chum salmon. Included in the hatchery plans are research and monitoring activities to study the effect of the programs on the recovery of Puget Sound Chinook salmon and steelhead.

**SUPPLEMENTARY INFORMATION:**

*Assistance Listing Number:* 84.358A.

*OMB Control Number:* 1810-0646.

**I. Award Information**

*Type of Award:* Formula grant.

*Available Funds:* \$110,000,000.

*Estimated Range of Awards:* \$0–\$60,000.

*Note:* The amount of an LEA’s award depends on the number and makeup of eligible LEAs that complete the SRSA application, and the amount Congress appropriates for the program. Some

eligible LEAs may receive an SRSA allocation of \$0 due to the statutory funding formula and, in that case, will not be invited to submit an application.

*Estimated Number of Awards:* 4,200.

**II. Program Authority and Eligibility Information**

*Under what statutory authority will FY 2025 SRSA grant awards be made?*

The FY 2025 SRSA grant awards will be made under title V, part B, subpart 1 of the Elementary and Secondary Education Act of 1965 (ESEA), 20 U.S.C. 7345–7345a.

*Which LEAs are eligible for an award under the SRSA program?*

For FY 2025, an LEA (including a public charter school that meets the definition of LEA in section 8101(30) of the ESEA) is eligible for an award under the SRSA program if it meets both of the criteria below:

(a) The total number of students in average daily attendance at all of the schools served by the LEA is fewer than 600, or each county in which a school served by the LEA is located has a total population density of fewer than 10 persons per square mile; and

(b) All of the schools served by the LEA are designated with a school locale code of 41, 42, or 43 by the Department’s National Center for Education Statistics (NCES), or the Secretary has determined, based on a demonstration by the LEA and concurrence of the State educational agency, that the LEA is located in an area defined as rural by a governmental agency of the State.

The Department provides an eligibility spreadsheet listing each LEA eligible to apply for FY 2025 SRSA grant funds. The spreadsheet is available on the Department’s website at: <https://data.ed.gov/dataset/reap-fy-2025-master-eligibility-spreadsheet/resources>.

If an LEA on the Department’s list of LEAs eligible to apply for an FY 2025 SRSA award will close prior to the 2025–2026 school year, that LEA is not eligible to receive an FY 2025 SRSA award and should not apply.

*Note:* The “Choice of Participation” provision under section 5225 of the ESEA gives an LEA eligible for both SRSA and the Rural and Low-Income School (RLIS) program, which is authorized under title V, part B, subpart 2 of the ESEA, the option to participate in either the SRSA program or the RLIS program. 20 U.S.C. 7351d. An LEA eligible for both SRSA and RLIS is henceforth referred to as a “dual-eligible LEA.”

*Which eligible LEAs must submit an application to receive an FY 2025 SRSA grant award?*

Under 34 CFR 75.104(a), the Secretary makes a grant only to an eligible entity that submits an application.

In FY 2025, each LEA eligible to receive an SRSA award is required to submit an SRSA application in order to receive SRSA funds, regardless of whether the LEA received an award or submitted an application in a previous year. For example, if a rural community has two distinct LEAs—one composed of its elementary school(s) and one composed of its high school(s)—each distinct LEA must submit its own SRSA application. This requirement applies to all eligible LEAs, including each dual-eligible LEA that chooses to participate in the SRSA program instead of the RLIS program and each SRSA-eligible LEA that is a member of an educational service agency (ESA) that does not receive SRSA funds on the LEA's behalf. In the case of an SRSA-eligible LEA that is a member of an SRSA-eligible ESA, the LEA and ESA must coordinate directly with each other to determine which entity will submit an SRSA application on the LEA's behalf, as both entities may not apply for or receive SRSA funds for the LEA. As noted above, pursuant to section 5225 of the ESEA, a dual-eligible LEA that applies for SRSA funds will not receive an RLIS award.

*What are the Unique Entity Identification (UEI) number requirements for the SRSA program?*

As required by 2 CFR part 25, Appendix A, entities receiving funds from the Federal government, including SRSA-eligible LEAs that apply for an SRSA award, must maintain current entity information in the System for Award Management (SAM). SAM is the Federal government's primary registrant database and is managed by the General Services Administration, not the Department. The UEI, a 12-character alphanumeric code, is the primary means of entity identification for Federal awards.

Each SRSA-eligible LEA must provide its UEI on the SRSA application. An LEA must have a UEI with an active registration status in SAM to access its awarded SRSA grant funds. An LEA without a UEI may not receive an SRSA award until it has obtained and registered a UEI. Obtaining a UEI is free to LEAs and can be accomplished at [www.SAM.gov](http://www.SAM.gov). LEAs may find SAM's guide helpful in understanding the registration process, available at: <https://sam.gov/content/entity-registration>. For

additional resources or technical support related to the UEI registration process please utilize the support features at [www.fsd.gov](http://www.fsd.gov).

### III. Application and Submission Information

#### *Electronic Submission of Applications Using Connect.gov*

The Department will send an email with a unique application link on May 14, 2025, to each LEA that is eligible and estimated to receive a positive allocation (*i.e.*, an estimated amount greater than \$0.00) for an FY 2025 SRSA grant award. The email will include detailed instructions for completing the electronic application.

An eligible LEA must submit an electronic application via *Connect.gov* by June 13, 2025, to be assured of receiving an FY 2025 SRSA grant award. The Department may consider applications submitted after the deadline to the extent practicable and contingent upon the availability of funding.

Please note the following:

- The application is estimated to take 30 minutes to complete. LEAs are encouraged not to wait until the application deadline date to begin the application process.
- Eligible LEAs will receive periodic emails during the application period containing a reminder to complete the SRSA application prior to the June 13, 2025, deadline.
- An application received by *Connect.gov* is dated and time stamped upon submission, and an applicant will receive a confirmation email after the application is submitted.
- If any applicant information changes (*e.g.*, address or contact information for the LEA) after an application has been submitted via *Connect.gov*, the applicant must contact the Department directly by emailing [reap@ed.gov](mailto:reap@ed.gov) to update such information.

#### *Application Deadline Date Extension in Case of Technical Issues*

If you are unable to submit an application by June 13, 2025, because of technical issues, contact the Department by emailing [reap@ed.gov](mailto:reap@ed.gov) within 5 business days and provide an explanation of the technical problem you experienced. The late application will be accepted as having met the deadline if the Department can confirm that a technical issue occurred with the *Connect.gov* system that affected your ability to submit the application by the deadline. As noted above, if you submit the application after the deadline and

the late submission is not due to a technical issue about which you have notified the Department, the Department may consider your application to the extent practicable and contingent upon the availability of funding.
