INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-302 and 731-TA-454 (Third Review)]

Fresh and Chilled Atlantic Salmon From Norway

Determination

On the basis of the record ¹ developed in the subject five-year reviews, the United States International Trade Commission (Commission) determines, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)), that revocation of the countervailing duty order and antidumping duty order on fresh and chilled Atlantic salmon from Norway would not be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.²

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

² Commissioner David S. Johanson did not participate in these five-year reviews.

Background

The Commission instituted these reviews on January 3, 2011 (76 FR 166) and determined on April 8, 2011 that it would conduct full reviews (76 FR 22422, April 21, 2011). Notice of the scheduling of the Commission's reviews and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the Federal Register on July 1, 2011 (76 FR 38698). The hearing was held in Washington, DC, on November 30, 2011, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in these reviews to the Secretary of Commerce on February 16, 2011. The views of the Commission are contained in USITC Publication 4303 (February 2012), entitled Fresh and Chilled Atlantic Salmon from Norway: Investigation Nos. 701-TA-302 and 731–TA–454 (Third Review).

Issued: February 17, 2012. By order of the Commission. James R. Holbein, Secretary to the Commission.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-865-867 (Second Review)]

Stainless Steel Butt-Weld Pipe Fittings From Italy, Malaysia, and the Philippines; Scheduling of Expedited **Five-Year Reviews**

AGENCY: United States International Trade Commission. ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)) (the Act) to determine whether revocation of the antidumping duty orders on stainless steel butt-weld pipe fittings from Italy, Malaysia, and the Philippines would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207,

subparts A, D, E, and F (19 CFR part 207).

DATES: Effective Date: February 6, 2012. FOR FURTHER INFORMATION CONTACT: Barbara Elkins (202-205-2253), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearingimpaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (http:// www.usitc.gov). The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at *http://edis.usitc.gov*.

SUPPLEMENTARY INFORMATION:

Background.—On February 6, 2012, the Commission determined that the domestic interested party group response to its notice of institution (76 FR 67473, November 1, 2011) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act.

Staff report.—A staff report containing information concerning the subject matter of these reviews will be placed in the nonpublic record on March 12, 2012 and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the

Commission should reach in the reviews. Comments are due on or before March 15, 2012 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by March 15, 2012. However, should the Department of Commerce extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6. 207.3, and 207.7 of the Commission's rules. Please be aware that the Commission's rules with respect to electronic filing have been amended. The amendments took effect on November 7, 2011. See 76 FR 61937 (Oct. 6, 2011) and the newly revised Commission's Handbook on E-Filing, available on the Commission's Web site at http://edis.usitc.gov.

Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the review you do not need to serve your response). The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission. Issued: February 17, 2012.

James R. Holbein,

Secretary to the Commission.

BILLING CODE 7020-02-P

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

² The Commission has found the responses submitted by Core Pipe Products, Inc.; Ezeflow USA Inc.-Flowline Division; Shaw Alloy Piping Products, Inc.; Taylor Forge Stainless, Inc.; and by Filmag Italia, srl to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).
