

- CMOD Workshop Recap;
- CCC Workgroups/Subcommittees;
- 2026 CCC Meetings; and
- Other Business and Wrap-Up.

The timing and order in which agenda items are addressed may change as required to effectively address the issues. The CCC will meet as late as necessary to complete scheduled business.

Although non-emergency issues not contained in the meeting agenda may be discussed, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this document and any issues arising after publication of this document that require emergency action under section 305 (c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

The public also should be aware that the meeting will be recorded and a transcript prepared. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Cate O'Keefe (see **ADDRESSES**) at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

fasciatus), common guitarfish (*Rhinobatos rhinobatos*), and blackchin guitarfish (*R. cemiculus*). The Endangered Species Act (ESA) requires us to conduct a review of listed species at least once every 5 years to determine whether a species should be removed from the list (*i.e.*, delisted), reclassified from an endangered species to a threatened species (*i.e.*, downlisted), or reclassified from a threatened species to an endangered species (*i.e.*, uplisted). The determination must be based on the best scientific and commercial data available at the time of the review. Therefore, we request relevant data (*e.g.*, biology, threats, and conservation efforts) that have become available since the previous reviews of these species.

DATES: To allow us adequate time to conduct the 5-year reviews, we must receive your information no later than September 15, 2025. While we accept new information about any listed species at any time, information received after the date stated above may not be considered for these reviews.

ADDRESSES: Submit your information electronically via the Federal eRulemaking Portal. Go to <https://www.regulations.gov> and enter NOAA-NMFS-2025-0033 in the Search box. Click the "Comment" icon, complete the required fields, and enter or attach your comments.

Instructions: We may not consider comments or information sent by another method, to another address or individual, or received after the date stated above. All comments and information received are a part of the public record, and we will post the comments for public viewing on <https://www.regulations.gov>. All personal identifying information (*e.g.*, name, address, *etc.*) submitted voluntarily by the sender will be publicly accessible. Do not submit confidential business information or otherwise sensitive or protected information. We will accept anonymous comments. Enter "N/A" in the required fields to remain anonymous.
