

in-the-game (the Minimum Corporation Contribution, LNAFBE greater than 110% of the Target Capital Requirement, and the EDCP Unvested Balance) and their places within OCC's default waterfall. The proposed amendments to the Capital Management Policy would also identify factors the Board would consider in setting and adjusting the Minimum Corporate Contribution. Accordingly, OCC believes conforming the terms in these governance arrangements and identifying factors OCC would consider in adjusting the Minimum Corporate Contribution is consistent with Rule 17Ad-22(e)(2)(i).

Finally, OCC believe that the proposed changes are consistent with Rule 17Ad-22(e)(23), which requires covered clearing agencies to maintain written policies and procedures reasonably designed to, among other things, provide for publicly disclosing all relevant rules and material procedures, including key aspects of its default rules and procedures.⁴⁶ The proposed changes would amend OCC's Rules to remove the pre-Capital Management Policy references to use of "retained earnings" or "current and retained earnings" with respect to the sources of OCC's skin-in-the-game, and instead identify the Minimum Corporate Contribution and LNAFBE greater than 110% of the Target Capital Requirement. The proposed changes would also provide greater clarity about how OCC calculates the amount of LNAFBE greater than 110% of the Target Capital Requirement based upon the unaudited financial statements from the close of the prior month; provided, however, that OCC would not be required to contribute an amount that would cause its LNAFBE to fall below 110% of the Target Capital Requirement at the time charged. The proposed changes to OCC Rules would, in turn, be made available on OCC's website. Therefore, OCC believes the proposed changes would disclose relevant default rules and procedures to the public and to Clearing Members.

For the foregoing reasons, OCC believes that the proposed changes are consistent with Section 805(b) of the Clearing Supervision Act⁴⁷ and Rules 17Ad-22(e)(4),⁴⁸ 17Ad-22(e)(15)(ii)(A),⁴⁹ 17Ad-22(e)(15)(iii),⁵⁰ Rules

17Ad-22(e)(2)(i),⁵¹ and 17Ad-22(e)(23)⁵² under the Exchange Act.

III. Date of Effectiveness of the Advance Notice and Timing for Commission Action

The proposed change may be implemented if the Commission does not object to the proposed change within 60 days of the later of (i) the date the proposed change was filed with the Commission or (ii) the date any additional information requested by the Commission is received. OCC shall not implement the proposed change if the Commission has any objection to the proposed change.

The Commission may extend the period for review by an additional 60 days if the proposed change raises novel or complex issues, subject to the Commission providing the clearing agency with prompt written notice of the extension. A proposed change may be implemented in less than 60 days from the date the advance notice is filed, or the date further information requested by the Commission is received, if the Commission notifies the clearing agency in writing that it does not object to the proposed change and authorizes the clearing agency to implement the proposed change on an earlier date, subject to any conditions imposed by the Commission.

OCC shall post notice on its website of proposed changes that are implemented. The proposal shall not take effect until all regulatory actions required with respect to the proposal are completed.

IV. Solicitation of Comments

⁵³ 17 CFR 200.30-3(a)(91).

(“Commission”) an application for an exemption under Section 36(a)(1) of the Securities Exchange Act of 1934 (“Act” or “Exchange Act”)¹ from the rule filing requirements of Section 19(b) of the Exchange Act² with respect to certain rules of the Financial Industry Regulatory Authority, Inc. (“FINRA”) and Miami International Securities Exchange, LLC (“MIAX”), an affiliate of MIAX PEARL, that the Exchange seeks to incorporate by reference.³ Section 36 of the Exchange Act authorizes the Commission to conditionally or unconditionally exempt any person, security, or transaction, or any class thereof, from any provision of the Exchange Act or rule thereunder, if necessary or appropriate in the public interest and consistent with the protection of investors.

On August 14, 2020, the Commission approved the Exchange’s proposal to adopt rules to govern the trading of cash equities and establish an equities trading facility of the Exchange.⁴ Among other things, these MIAX PEARL Equities Rules include conduct and operational rules applicable to a new category of Exchange member participation, referred to as “Equity Members.”

MIAX PEARL has requested, pursuant to Rule 0–12 under the Exchange Act,⁵ that the Commission grant the Exchange an exemption from the rule filing requirements of Section 19(b) of the Act for changes to those MIAX PEARL Equities Rules that are effected solely by virtue of a change to a cross-referenced FINRA or MIAX rule.⁶ Specifically, the Exchange requests that it be permitted to incorporate by reference changes made to each FINRA or MIAX rule (or series of rules as the case may be) that is cross-referenced in the following MIAX PEARL Equities Rules, without

the need for the Exchange to file separately the same proposed rule changes pursuant to Section 19(b) of the Act:⁷

- Rule 2101 (Violations Prohibited) cross-references MIAX Rule 300 (Adherence to Law),
- Rule 2104 (Communications with the Public) cross-references FINRA Rule 2210 (Communications with the Public) (except for paragraph (c) of FINRA Rule 2210),
- Rule 2105 (Know Your Customer) cross-references FINRA Rule 2090 (Know Your Customer),
- Rule 2107 (Suitability) cross-references FINRA Rule 2111 (Suitability),
- Rule 2119 (Telemarketing) cross-references MIAX Rule 1325 (Telemarketing),
- Rule 2200 (General Requirements) cross-references FINRA Rule 4511 (General Requirements),
- Rule 2201 (Customer Account Information) cross-references FINRA Rule 4512 (Customer Account Information),
- Rule 2203 (Record of Written Complaints) cross-references FINRA Rule 4513 (Records of Written Customer Complaints),
- Rule 2204 (Disclosure of Financial Condition) cross-references MIAX Rule 1313 (Statement of Financial Condition to Customers),
- Rule 2302 (Annual Certification of Compliance and Supervisory Processes) cross-references FINRA Rule 3130 (Annual Certification of Compliance and Supervisory Processes),
- Rule 2303 (Prevention of the Misuse of Material, Non-Public Information) cross-references MIAX Rule 303 (Prevention of the Misuse of Material Non-Public Information),
- Rule 2304 (Anti-Money Laundering Compliance Program) cross-references MIAX Rule 315 (Anti-Money Laundering Compliance Program),
- Rule 2305 (Transactions for or by Associated Persons) cross-references FINRA Rule 3210 (Accounts at Other Broker-Dealers and Financial Institutions),
- Rule 2712 (Trading Ahead of Research Reports) cross-references MIAX Rule 320 (Trading Ahead of Research Reports),
- Rule 2714 (Front Running of Block Transactions) cross-references FINRA Rule 5270 (Front Running of Block Transactions), and
- Rule 2715 (Disruptive Quoting and Trading Activity Prohibited) cross-references MIAX Rule 322 (Disruptive Quoting and Trading Activity Prohibited).

The Exchange states that the direct incorporations by reference of FINRA and MIAX rules, which are regulatory in nature,⁸ are intended to be a comprehensive integration of the relevant FINRA and MIAX rules into the MIAX PEARL Equities Rules.⁹ As the Exchange notes, the MIAX PEARL Rules currently incorporate by reference Chapters III and XIII of the MIAX Rules, and the Exchange has previously received an exemption from the rule filing requirements of Section 19(b) with respect to these rules.¹⁰ Equity Members are a subset of MIAX PEARL Members,¹¹ and MIAX PEARL Members are currently subject to the MIAX Rules that are already incorporated by reference.¹² According to the Exchange, the recently approved MIAX PEARL Equities Rules cross-reference to these MIAX Rules for completeness and to remove doubt as to whether an Equity Member would be subject to these cross-referenced MIAX Rules.¹³

The Exchange represents that, as a condition to the requested exemption from Section 19(b) of the Act, the Exchange will provide written notice to its members whenever FINRA or MIAX proposes a change to a cross-referenced rule.¹⁴ Such notice will alert Exchange members to the proposed rule change and give them an opportunity to comment on the proposal.¹⁵ The Exchange further represents that it similarly will inform members in

⁸ See *id.* at 4. The Exchange represents that the FINRA and MIAX rules proposed to be incorporated by reference are not trading rules. In addition, the Exchange notes that several other self-regulatory organizations (“SROs”) incorporate by reference certain regulatory rules of another SRO and have received from the Commission similar exemptions from Section 19(b) of the Exchange Act. writing when the Commission approves any such proposed rule changes.¹⁶

According to the Exchange, this exemption is necessary and appropriate because it would result in the MIAX PEARL Equities Rules being consistent with the relevant cross-referenced FINRA and MIAX rules at all times, thus ensuring identical regulation of joint members of the Exchange, FINRA, and/or MIAX with respect to such rules.¹⁷ Without such an exemption, joint members of the Exchange, FINRA, and/or MIAX could be subject to two different standards.¹⁸ In addition, the Exchange believes that the exemption would ensure consistency between certain MIAX PEARL Equities Rules and FINRA rules that are covered by the Exchange's regulatory services agreement ("RSA") with FINRA, which would facilitate FINRA's provision of services to the Exchange under the RSA within the scope of those MIAX PEARL Equities Rules.¹⁹

The Commission has issued exemptions similar to the Exchange's request.²⁰ In granting one such exemption in 2010, the Commission repeated a prior, 2004 Commission statement that it would consider similar

future exemption requests from other SROs, provided that:

- An SRO wishing to incorporate rules of another SRO by reference has submitted a written request for an order exempting it from the requirement in Section 19(b) of the Exchange Act to file proposed rule changes relating to the rules incorporated by reference, has identified the applicable originating SRO(s), together with the rules it wants to incorporate by reference, and otherwise has complied with the procedural requirements set forth in the Commission's release governing procedures for requesting exemptive orders pursuant to Rule 0–12 under the Exchange Act;²¹
- The incorporating SRO has requested incorporation of categories of rules (rather than individual rules within a category) that are not trading rules (e.g., the SRO has requested incorporation of rules such as margin, suitability, or arbitration); and
- The incorporating SRO has reasonable procedures in place to provide written notice to its members each time a change is proposed to the incorporated rules of another SRO.²²

The Commission believes that the Exchange has satisfied each of these conditions. The Commission also believes that granting the Exchange an exemption from the rule filing requirements under Section 19(b) of the Exchange Act will promote efficient use of Commission and Exchange resources by avoiding duplicative rule filings based on simultaneous changes to identical rule text sought by more than one SRO.²³ The Commission therefore finds it appropriate in the public interest and consistent with the protection of investors to exempt the Exchange from the rule filing requirements under Section 19(b) of the Exchange Act with respect to the above-described rules it has incorporated by reference. This exemption is conditioned upon the Exchange promptly providing written notice to its members whenever FINRA or MIAX changes a rule that the Exchange has incorporated by reference.

Accordingly, *it is ordered*, pursuant to Section 36 of the Exchange Act,²⁴ that the Exchange is exempt from the rule filing requirements of Section 19(b) of the Exchange Act solely with respect to changes to the MIAX PEARL Equities Rules identified in its request that incorporate by reference certain FINRA and MIAX rules that are the result of changes to such FINRA or MIAX rules, provided that the Exchange promptly provides written notice to its members whenever FINRA or MIAX proposes to change a rule that the Exchange has incorporated by reference.
