#### Facial Comparison for APIS Compliance Test: Renewal of Test

**AGENCY:** U.S. Customs and Border Protection; DHS.

**ACTION:** General notice.

**SUMMARY:** This notice announces that U.S. Customs and Border Protection (CBP) is renewing the Facial Comparison for Advance Passenger Information System (APIS) Compliance Test. Commercial air and sea carriers that voluntarily participate in this test use CBP's Traveler Verification Service (TVS) to comply with APIS regulatory requirements. During this test, participating carriers will use the existing TVS to ensure the manifest information sent to CBP is correct and to perform the required identity verification pursuant to APIS regulations. This process has the potential to expedite the departure process as compared to the manual data and identity verification process.

**DATES:** This renewal extends the test for an additional two years, expiring on February 16, 2027, unless renewed. The initial voluntary test began on February 16, 2023, and was set to expire on February 16, 2025. CBP will announce any modifications by notice in the **Federal Register**.
