SUPPLEMENTARY INFORMATION: The Commission has received correspondence from the Lighter Association, Inc., the national trade association of the lighter industry, requesting that the Commission issue a rule adopting an ASTM voluntary standard as a consumer product safety standard. The Commission is docketing this request as a petition under the Consumer Product Safety Act, 15 U.S.C. 2056 and 2058. The petitioner states that the ASTM standard has the force and effect of law in Canada and Mexico. The petitioner asserts that unreasonable risks of injury are being created by failure to enforce the existing voluntary standard in the U.S. The petitioner states that although most disposable lighters imported to the U.S. are child-resistant, they do not meet minimum safety standards followed by the U.S. lighter industry in accordance with the ASTM standard.

Interested parties may obtain a copy of the petition by writing or calling the Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207; telephone (301) 504-0800.
