DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

18 CFR Parts 2 and 38

[Docket No. RM05–5–024; Order No. 676–H]

Standards for Business Practices and Communication Protocols for Public Utilities

AGENCY: Federal Energy Regulatory Commission, DOE.

ACTION: Final rule; notice of extension of time.

SUMMARY: Order No. 676–H, published on September 14, 2014, requires public utilities to comply with the incorporated Version 003 business practice standards by February 2, 2015 (former), with the exception of those standards related to the Network Integration Transmission Service (NITS) Open Access Same-Time Information System (OASIS) template, for which compliance is required by April 25, 2016 (latter). This document extends the afore-mentioned deadline to comply with requirements not related to the NITS OASIS template from February 2, 2015 to and including May 15, 2015.

DATES: *Effective date:* This rule is effective January 26, 2015.

Compliance date: Compliance with the Version 003 business practice standards not related to the NITS OASIS template, published in the rule of September 14, 2014 (79 FR 56939), is extended to and including May 15, 2015, for all entities subject to the requirement.

Gary D. Cohen (Legal Issues), Office of the General Counsel, Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, (202) 502–8321

SUPPLEMENTARY INFORMATION: In Order No. 676–H, the Federal Energy Regulatory Commission (Commission) amended its regulations to incorporate by reference, with certain enumerated exceptions, the latest version (Version 003) of the Standards for Business Practices and Communication Protocols for Public Utilities adopted by the Wholesale Electric Quadrant (WEQ) of the North American Energy Standards Board (NAESB) as mandatory enforceable requirements.¹ Order No. 676–H requires public utilities to comply with the incorporated Version 003 business practice standards by February 2, 2015, with the exception of those standards related to the NITS OASIS template, for which compliance is required by April 25, 2016. Several entities have requested a time extension for compliance with the February 2, 2015 implementation date.

Upon consideration of these requests for extension of time, the Commission will extend the requirement for compliance with the Version 003 business practice standards not related to the NITS OASIS template to and including May 15, 2015, for all entities subject to these requirements. All other compliance obligations set forth in Order No. 676–H remain in force. We will consider further requests for extension for particular standards in future orders.²

[Docket Number USCG-2014-0657]

RIN 1625-AA08

Special Local Regulation; Clearwater Super Boat National Championship; Gulf of Mexico, Clearwater, FL

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is establishing a special local regulation on the waters of the Gulf of Mexico in the vicinity of Clearwater Beach, Florida during the Clearwater Super Boat National Championship. The race is scheduled to take place annually on the last Saturday and Sunday of September from approximately 10 a.m. to 5 p.m. The special local regulation is necessary to protect the safety of race participants, participant vessels, spectators, and the general public on the navigable waters of the United States during the event. The special local regulation will restrict vessel traffic in the waters of the Gulf of Mexico in the vicinity of Clearwater, Florida. It will establish the following three areas: A race area, where all persons and vessels, except those persons and vessels participating in the high speed boat races, are prohibited from entering, transiting through, anchoring in, or remaining within; a spectator area, where all vessels must be anchored or operate at No Wake Speed; and an enforcement area where designated representatives may control vessel traffic as determined by the prevailing conditions.

DATES: This rule is effective March 1, 2015. This rule will be enforced annually on the last weekend in September from 10 a.m. to 5 p.m. EDT.

NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

The Coast Guard is establishing this Special Local Regulation on the waters of the Gulf of Mexico in the vicinity of Clearwater Beach, Florida during the Clearwater Super Boat National Championship. On September 10, 2014, the Coast Guard published a notice proposing this final rule. One comment was received in favor of this regulation.

The race is scheduled to take place annually from approximately 10 a.m. to 5 p.m. during the last Saturday and Sunday of September. This rule is necessary to protect the safety of race participants, participant vessels, spectators, and the general public on the navigable waters of the United States during the event.

B. Basis and Purpose

The legal basis for the rule is the Coast Guard's authority to establish special local regulations: 33 U.S.C. 1233.

The purpose of the rule is to provide for the safety of life on navigable waters of the United States during the Clearwater Super Boat National Championship.

C. Comments, Changes and the Final Rule

The Coast Guard received one comment related to this event during the comment period and there was no request for a public meeting made during the comment period. The one comment received was in support of the regulation.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

2. Impact on Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered the impact of this rule on small entities. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520.).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship
