

time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of Management and Budget, via fax at 202-395-5167 or via Internet at Nicholas.A.Fraser@omb.eop.gov and to the Federal Communications Commission. To submit your PRA comments by e-mail, send them to: PRA@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information, contact Judith B. Herman at 202-418-0214 or via the Internet at Judith-B.Herman@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0484.

Title: Sections 4.1 and 4.2, and Part 4 of the Commission's Rules Concerning Disruptions to Communications (NORS).

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit, not-for-profit institutions, and State, local or tribal government.

Number of Respondents: 71 respondents; 139 responses.

Estimated Time per Response: 2 hours.

Frequency of Response: On occasion reporting requirement.

Obligation To Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 151, 154, 218, 219, 230, 256, 301, 302, 303, 403, and 621.

Total Annual Burden: 19,738 hours.

Total Annual Cost: N/A.

Privacy Act Impact Assessment: N/A.

Nature and Extent of Confidentiality:

In accordance with 47 CFR 4.2 of the Commission's rules, reports under Part 4 are presumed confidential.

Needs and Uses: The Commission will submit this expiring information collection to the Office of Management and Budget (OMB) after this 60-day comment period in order to obtain the full three-year clearance from them. The Commission is requesting approval of an extension of this information collection (no change in the reporting requirement). The Commission is reporting a significant increase of 10,100 hours in the total annual burden hours. This is due to a recalculation of our burden estimates and fewer respondents reporting information. The estimated number of respondents fluctuates because of the type of event to be reported and the location where it occurred.

In recognition of the critical need for rapid, full, and accurate information on

service disruptions that could affect homeland security, public health and safety, as well as the economic well-being of our Nation, and in view of the increasing importance of non-wireline communications in the Nation's communications networks and critical infrastructure, the Commission adopted rules requiring mandatory service disruptions reporting from all communications providers (cable, satellite, wireline and wireless) that provide voice and/or paging communications. As envisioned, the information collected pursuant to these rules has helped improve network reliability.

OMB Control Number: 3060-1094.

Title: Sections 27.14 and 27.1221, Licensing, Operation and Transition of the 2500-2690 MHz Band.

Form No.: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit, not-for-profit institutions, and State, local or tribal government.

Number of Respondents: 2,500 respondents; 5,140 responses.

Estimated Time per Response: .50-2.25 hours.

Frequency of Response: On occasion and one-time reporting requirements, recordkeeping requirement and third party disclosure requirement.

Obligation To Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 151, 154(i), 301, 303(f), 303(g), 303(r), 307, 308, and 316.

Total Annual Burden: 3,510 hours.

Total Annual Cost: \$302,667.

Privacy Act Impact Assessment: N/A.

Needs and Uses: The Commission will submit this revised information collection to the Office of Management and Budget (OMB) after this 60-day comment period in order to obtain the full three-year clearance from them.

The Commission is reporting a program change decrease of 7,214 hours which is due to elimination of the pre-transition data request, the transition notice, the initiation plan, the post-transition notification and the transition plan because they relate to the transition of BRS and EBS licensees to the new band plan and these requirements have been met. The Commission is also reporting an adjustment decrease of 2,267 hours due to recalculation of all the remaining burden estimates.

The FCC adopted and released a Fourth Memorandum Opinion and Order (2008 Order), FCC 08-83, which adopted section 27.14(o) of the Commission's rules. That rule requires all Broadband Radio Service (BRS) and

Educational Broadband Service (EBS) licensees to make a showing of "substantial service" no later than May 1, 2011 on a license-by-license basis. The requirement was modified by the Third Report and Order (2010 Order), FCC 10-107, to require that licensees issue a new BRS license on or after November 6, 2009, and would have four years from the date of initial grant to provide substantial service. A licensee must demonstrate that it provided service which is sound, favorable and substantially above the level of mediocre service which might minimally warrant renewal.

The information relating to substantial service is used by the Commission staff to satisfy requirements for licensees to demonstrate substantial service at the time of license renewal. Without this information, the Commission would not be able to carry out its statutory responsibilities. The third party disclosure coordination requirements are necessary to ensure that licensees do not cause interference to each other and that licensees who undertake to transition to the new band plan receive reimbursement for eligible costs.

Federal Communications Commission.

Marlene H. Dortch,

Secretary.

BILLING CODE 6712-01-P

FEDERAL COMMUNICATIONS COMMISSION

Public Information Collection Approved by Office of Management and Budget (OMB)

October 7, 2010.

SUMMARY: The Federal Communications Commission (FCC) has received Office of Management and Budget (OMB) approval for the following public information collection pursuant to the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid control number.

DATES: Persons wishing to comment on this information collection should submit comments by November 15, 2010. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of

Management and Budget (OMB), via fax at (202) 395-5167, or via the Internet at Nicholas_A_Fraser@omb.eop.gov, and to Nancy J. Brooks, (202) 418-2454 or via the Internet at Nancy.Brooks@fcc.gov, Federal Communications Commission (FCC). To submit your PRA comments by e-mail send them to: PRA@fcc.gov.

FOR FURTHER INFORMATION CONTACT: Nancy Brooks, (202) 418-2454 or via the Internet at Nancy.Brooks@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control No.: 3060-1139.

OMB Approval Date: 10/4/2010.

OMB Expiration Date: 4/30/2011.

Title: Residential Fixed Broadband Services Testing and Measurement.
Form No.: N/A.

Estimated Annual Burden: 11,016 responses; 14,200 total annual hours; 1 hour per response.

Obligation To Respond: Voluntary. Statutory authorities for this information collection are contained in the American Reinvestment and Recovery Act (ARRA) of 2009, Public Law 111-5 and the Broadband Data Improvement Act of 2008, Public Law 111-385.

Nature and Extent of Confidentiality: Yes. See Privacy Act Impact Assessment below.

Privacy Act Impact Assessment: Yes, however, no personally identifiable information (PII) will be transmitted to the Commission. SamKnows, Inc. maintains a series of administrative, technical and physical safeguards to protect against the transmission of personally identifying information. At point of registration, individuals will be given full disclosure, highlighting what information will be collected, and importantly, what information will not be collected.

Needs and Uses: The Commission has contracted with SamKnows, Inc. to measure the speeds and performance of a representative, cost-effective, statistically relevant sample of U.S. fixed broadband households across geographics, technologies and providers. This measurement will occur on an opt-in, voluntary basis. This representative sample will be used to create a baseline level of performance and measurements for the FCC. The third party measurement contractor will deploy testing devices to begin measurement, and these results will then be used to inform measurement standards for performance of broadband services, in support of the FCC-led National Broadband Plan.

This revised information collection responds to new requirements that were initially unforeseen in the SamKnows

Residential Fixed Broadband Services Testing and Measurement program. Recent surveys demonstrate a majority of consumers are not able to accurately report the broadband service information approved in the First Collection. Furthermore in recent discussions as part of this data collection effort, broadband internet service providers (ISPs) have indicated that certain technical characteristics of consumer broadband service may vary region to region and such details may not be fully known to the consumer. Relevant ISPs have offered to partner with the FCC in the testing and measurement trial by verifying certain customer information (ISP Partners) collected by SamKnows and by providing associated data not directly obtainable from the consumer. On September 2, 2010, the Commission requested emergency approval of the information collection requirements from the Office of Management and Budget (OMB). On October 4, 2010, the Commission received OMB approval.

Federal Communications Commission.

Marlene H. Dortch,
Secretary.

BILLING CODE 6712-01-P

FEDERAL COMMUNICATIONS COMMISSION

[Report No. 2918]

Petitions for Reconsideration of Action in Rulemaking Proceeding

September 23, 2010.

Petitions for Reconsideration have been filed in the Commission's Rulemaking proceeding listed in this Public Notice and published pursuant to 47 CFR 1.429(e). The full text of these documents is available for viewing and copying in Room CY-B402, 445 12th Street, SW., Washington, DC or may be purchased from the Commission's copy contractor, Best Copy and Printing, Inc. (BCPI) (1-800-378-3160). Oppositions to these petitions must be filed by November 1, 2010. See Section 1.4(b)(1) of the Commission's rules (47 CFR 1.4(b)(1)). Replies to oppositions must be filed within 10 days after the time for filing oppositions have expired.

Subject: In the Matter of Implementation of Section 224 of the Act (WC Docket No. 07-245)

A National Broadband Plan for our Future (GN Docket No. 09-51).

Number of Petitions Filed: 4.
