

the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.⁷

Turkey—Welded Carbon Steel Pipe and Tube (C-489-502)

The products covered by the order are certain welded carbon steel pipe and tube with an outside diameter of 0.375 inch or more, but not over 16 inches, of any wall thickness (pipe and tube) from Turkey. These products are currently provided for under the HTSUS as item numbers 7306.30.10, 7306.30.50, and 7306.90.10. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise is dispositive.⁸

Brazil, Mexico, and the Republic of Korea—Certain Circular Welded Non-Alloy Steel Pipe (A-351-809, A-201-805, and A-580-809)

The products covered by the orders are circular welded non-alloy steel pipes and tubes, of circular cross-section, not more than 406.4 millimeters (16 inches) in outside diameter, regardless of wall thickness, surface finish (black, galvanized, or painted), or end finish (plain end, beveled end, threaded and coupled). These pipes and tubes are generally known as standard pipes and tubes and are intended for the low pressure conveyance of water, steam, natural gas, and other liquids and gasses in plumbing and heating systems, air conditioning units, automatic sprinkler systems, and other related uses, and generally meets ASTM A-53 specifications. Standard pipe may also be used for light load-bearing applications, such as for fence tubing, and as structural pipe tubing used for farming and support members for reconstruction or load bearing purposes in the construction, shipbuilding, trucking, farm equipment, and related industries. Unfinished conduit pipe is also included in the orders.

All carbon steel pipes and tubes within the physical description outlined above are included within the scope of the orders, except line pipe, oil country tubular goods, boiler tubing, mechanical tubing, pipe and tube hollows for redraws, finished scaffolding, and finished conduit. Standard pipe that is dual or triple certified/stenciled that enters the U.S. as line pipe of a kind used for oil or gas pipelines is also not included in the orders.

Imports of the products covered by the orders are currently classifiable under the following HTSUS subheadings: 7306.30.10.00, 7306.30.50.25, 7306.30.50.32, 7306.30.50.40, 7306.30.50.55, 7306.30.50.85, and 7306.30.50.90. Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the orders is dispositive.⁹

Taiwan—Certain Circular Welded Non-Alloy Steel Pipe (A-583-814)

The products covered by the order are (1) circular welded non-alloy steel pipes and tubes, of circular cross section over 114.3 millimeters (4.5 inches), but not over 406.4 millimeters (16 inches) in outside diameter, with a wall thickness of 1.65 millimeters (0.065 inches) or more, regardless of surface finish (black, galvanized, or painted), or end-finish (plain end, beveled end, threaded, or threaded and coupled); and (2) circular welded non-alloy steel pipes and tubes, of circular cross-section less than 406.4 millimeters (16 inches), with a wall thickness of less than 1.65 millimeters (0.065 inches), regardless of surface finish (black, galvanized, or painted) or end-finish (plain end, beveled end, threaded, or threaded and coupled). These pipes and tubes are generally known as standard pipes and tubes and are intended for the low pressure conveyance of water, steam, natural gas, air, and other liquids and gases in plumbing and heating systems, air conditioning units, automatic sprinkling systems, and other related uses, and generally meet ASTM A-53 specifications. Standard pipe may also be used for light load-bearing applications, such as for fence-tubing and as structural pipe tubing used for framing and support members for construction, or load-bearing purposes in the construction, shipbuilding, trucking, farm-equipment, and related industries. Unfinished conduit pipe is also included in the order.

All carbon steel pipes and tubes within the physical description outlined above are included within the scope of the order, except line pipe, oil country tubular goods, boiler tubing, mechanical tubing, pipe and tube hollows for redraws, finished scaffolding, and finished conduit. Standard pipe that is dual or triple certified/stenciled that enters the U.S. as line pipe of a kind or used for oil and gas pipelines is also not included in the scope of the order.

Imports of the products covered by the order are currently classifiable under the following HTSUS subheadings, 7306.30.10.00, 7306.30.50.85, 7306.30.50.90. Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the order is dispositive.¹⁰

Taiwan—Circular Welded Carbon Steel Pipes and Tubes (A-583-008)

Stainless Steel Bar From Japan: Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from an interested party, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on stainless steel bar from Japan (the Order) covering the period February 1, 2010, through January 31, 2011. The interested party that requested the administrative review has since withdrawn its request. As a result, the Department is rescinding this review.

DATES: *Effective Date:* July 17, 2012.

FOR FURTHER INFORMATION CONTACT: Bryan Hansen or Minoo Hatten, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3683 or (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 30, 2012, the Department published a notice of initiation of an administrative review of the Order. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part, and Deferral of Administrative Review*, 77 FR 19179, 19181 (March 30, 2012). Based on a request for review from Suruga USA Corp. (Suruga), we initiated a review of Misumi Corporation (Misumi). *Id.* No other

¹¹ See *Certain Circular Welded Carbon Steel Pipes and Tubes From Taiwan: Final Results of Antidumping Duty Administrative Review*, 76 FR 63902 (October 14, 2011).

party requested a review. On June 27, 2012, Suruga timely withdrew its request for a review of the Order with respect to Misumi. See Letter from Suruga to the Secretary, "Stainless Steel Bar—Withdrawal of Request for Administrative Review," dated June 27, 2012.

Rescission of Review

In accordance with 19 CFR 351.213(d)(1), the Department will rescind an administrative review, "in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." As explained above, Suruga withdrew its request for a review of the Order with respect to Misumi within the 90-day period articulated in 19 CFR 351.213(d)(1). Therefore, because we received no other requests for review of this company and Suruga withdrew its request within the time limit provided in the regulation, we are rescinding the administrative review of the Order with respect to Misumi in accordance with 19 CFR 351.213(d)(1).

Assessment Rates

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For Misumi, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period February 1, 2010, through January 31, 2011, in accordance with 19 CFR 351.212(c)(2). The Department intends to issue appropriate assessment instructions to CBP within 15 days after publication of this notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or

destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: July 11, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

[Application No. 12-00001]

Export Trade Certificate of Review

ACTION: Notice of issuance of an Export Trade Certificate of Review to Panama Poultry Export Quota, Inc. ("PAN-PEQ") (Application #12-00001).

SUMMARY: On June 25, 2012, the U.S. Department of Commerce issued an Export Trade Certificate of Review to Panama Poultry Export Quota, Inc. ("PAN-PEQ"). This notice summarizes the conduct for which certification has been granted.

FOR FURTHER INFORMATION CONTACT: Joseph E. Flynn, Director, Office of Competition and Economic Analysis, International Trade Administration, by telephone at (202) 482-5131 (this is not a toll-free number) or email at etca@trade.gov.

SUPPLEMENTARY INFORMATION: Title III of the Export Trading Company Act of 1982 (15 U.S.C. Sections 4001-21) authorizes the Secretary of Commerce to issue Export Trade Certificates of Review. The regulations implementing Title III are found at 15 CFR part 325 (2010). The U.S. Department of Commerce, International Trade Administration, Office of Competition and Economic Analysis ("OCEA") is issuing this notice pursuant to 15 CFR 325.6(b), which requires the Secretary of Commerce to publish a summary of the issuance in the **Federal Register**. Under Section 305(a) of the Export Trading Company Act (15 U.S.C. 4012(b)(1)) and 15 CFR 325.11(a), any person aggrieved by the Secretary's determination may, within 30 days of the date of this notice, bring an action in any appropriate district court of the United States to set aside the determination on the ground that the determination is erroneous.

Members (Within the Meaning of 15 CF. 325.2(1))

PAN-PEQ's members under this certificate are the USA Poultry and Egg Export Council ("USAPEEC") on behalf of the U.S. poultry industry; and the Asociacion Nacional de Avicultores de Panama ("ANAVIP") on behalf of the Panamanian poultry industry.

Description of Certified Conduct

PAN-PEQ is certified to engage in the Export Trade Activities and Methods of Operation described below in the following Export Trade and Export Markets.

Export Trade

Chicken leg quarters (or parts of chicken leg quarters, including legs or thighs), fresh, chilled or frozen seasoned or unseasoned, marinated or not marinated, classifiable under HTS 0207.13.99, 0207.14.99 and 1602.32.00.

Export Markets

Chicken leg quarters for which awards will be made will be exported to the Republic of Panama.

Export Trade Activities and Methods of Operation

With respect to the conduct of Export Trade in the Export Markets, PAN-PEQ may, subject to the terms and conditions set forth below, engage in the following Export Trade Activities and Methods of Operation:

1. *Purpose:* PAN-PEQ will manage on an open tender basis the tariff-rate quotas (TRQs) for poultry products granted by the Republic of Panama to the United States under the terms of the United States-Panama Trade Promotion Agreement or any amended or successor agreement providing for Panamanian poultry TRQs for the United States of America. PAN-PEQ also will provide for distributions of the proceeds received from the tender process to support the operation and administration of PAN-PEQ and for the benefit of the poultry industries in the Republic of Panama and the United States.

2. *Administrator.* PAN-PEQ shall contract with a neutral third party Administrator who is not engaged in the production, sale, distribution or export of poultry or poultry products and who shall bear responsibility for administering the TRQ System, subject to general supervision and oversight by the Board of Directors of PAN-PEQ.

3. *Open Tender Process.* PAN-PEQ shall offer TRQ Certificates for duty-free shipments of chicken leg quarters to the Republic of Panama solely and exclusively through an open tender
