

ADDRESSES: Copies of the exposure draft have been mailed to senior financial officials, chief information officers, and property executives, together with a transmittal memo listing items of interest for which JFMIP is soliciting feedback. The Exposure Draft and comment response matrix are available on the JFMIP Web site <http://www.jfmip.gov>. Responses should be addressed to JFMIP, 1990 K Street, NW., Suite 430, Washington, DC 20006.

FOR FURTHER INFORMATION CONTACT: Bruce Turner, (202) 219-0533 or bruce.turner@gsa.gov.

SUPPLEMENTARY INFORMATION: The FFMIA of 1996 mandated that agencies implement and maintain systems that comply substantially with FFMSR, applicable Federal accounting standards, and the U.S. Government Standard General Ledger at the transaction level. The FFMIA statute codified the JFMIP financial system requirements documents as a key benchmark that agency systems must meet to substantially comply with systems requirements provisions under FFMIA. To support the provisions outlined in FFMIA, the JFMIP is updating obsolete requirements documents and publishing additional requirements documents. Comments received will be reviewed and the exposure draft will be revised as necessary. Publication of the final document will be mailed to agency financial officials, procurement executives, chief information officers, and others, and will be available on the JFMIP website.

Executive Director, Joint Financial Management Improvement Program.
