Estimated Annual Reporting and Recordkeeping “Non-hour” Cost Burden: We have identified no “non-Hour” cost burdens.

Public Disclosure Statement: The PRA (44 U.S.C. 3501 *et seq.*) provides that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Comments: Before submitting an ICR to OMB, PRA section 3506(c)(2)(A) requires each agency to “* * * provide 60-day notice in the **Federal Register** * * * and otherwise consult with members of the public and affected agencies concerning each proposed collection of information * * *.” Agencies must specifically solicit comments to: (a) Evaluate whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful; (b) evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information to be collected; and (d) minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

The PRA also requires agencies to estimate the total annual reporting “non-hour cost” burden to respondents or recordkeepers resulting from the collection of information. If you have costs to generate, maintain, and disclose this information, you should comment

and provide your total capital and startup cost components or annual operation, maintenance, and purchase of service components. You should describe the methods you use to estimate major cost factors, including system and technology acquisition, expected useful life of capital equipment, discount rate(s), and the period over which you incur costs. Capital and startup costs include, among other items, computers and software you purchase to prepare for collecting information; monitoring, sampling, and testing equipment; and record storage facilities. Generally, your estimates should not include equipment or services purchased: (i) Before October 1, 1995; (ii) to comply with requirements not associated with the information collection; (iii) for reasons other than to provide information or keep records for the Government; or (iv) as part of customary and usual business or private practices.

We will summarize written responses to this notice and address them in our ICR submission for OMB approval, including appropriate adjustments to the estimated burden. We will provide a copy of the ICR to you without charge upon request. We also will post the ICR at http://www.onrr.gov/Laws_R_D/FRNotices/FRInfColl.htm.

Public Comment Policy: We will post all comments, including names and addresses of respondents, at <http://regulations.gov>. Before including your address, phone number, email address, or other personal identifying information in your comment, be

advised that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold from public view your personal identifying information, we cannot guarantee that we will be able to do so.

[Docket No. ONRR–2011–0002]

States’ Decisions on Participating in Accounting and Auditing Relief for Federal Oil and Gas Marginal Properties

AGENCY: Office of Natural Resources Revenue, Interior.

ACTION: Notice.

SUMMARY: Final regulations published September 13, 2004 (69 FR 55076), provide two types of accounting and auditing relief for Federal onshore or Outer Continental Shelf lease production from marginal properties. As required by the regulations, the Office of Natural Resources Revenue (ONRR)

provided a list of qualifying marginal Federal oil and gas properties to states that received a portion of Federal royalties. Each state then decided whether to participate in one or both relief options. For calendar year 2012, this notice provides the decisions by the affected states to allow one or both types of relief.

DATES: Effective January 1, 2012.

FOR FURTHER INFORMATION CONTACT:

Richard Adamski, Program Manager, Asset Valuation, telephone (303) 231-3410; email richard.adamski@onrr.gov; or mail to P.O. Box 25165, MS 63100B, Denver Federal Center, Denver, Colorado 80225-0165.

SUPPLEMENTARY INFORMATION: The regulations, codified at 30 CFR part 1204, subpart C, implement certain provisions of section 7 of the Federal Oil and Gas Royalty Simplification and Fairness Act of 1996 (RSFA) (30 U.S.C. 1726) and provide two options for relief: (1) Notification-based relief for annual reporting; and (2) other requested relief, as proposed by industry and approved by ONRR and the affected state. The regulations require ONRR to publish a list of the states and their decisions regarding marginal property relief by December 1 of each year.

To qualify for the first relief option (notification-based relief) for calendar year 2012, properties must have produced less than 1,000 barrels-of-oil-

equivalent (BOE) per year for the base period (July 1, 2010, through June 30, 2011). Annual reporting relief will begin January 1, 2012, with the annual report and payment due February 28, 2013; or March 31, 2013, if you have an estimated payment on file. To qualify for the second relief option (other requested relief), the combined equivalent production of the marginal properties during the base period must equal an average daily well production of less than 15 BOE per well per day calculated under 30 CFR 1204.4(c).

The following table shows the states that have qualifying marginal properties and the states' decisions to allow one or both forms of relief.

State	Notification-based relief (less than 1,000 BOE per year)	Request-based relief (less than 15 BOE per well per day)
Alabama	No	No
California	No	No
Colorado	No	No
Kansas	Yes	No
Louisiana	Yes	Yes
Michigan	Yes	Yes
Mississippi	No	No
Montana	No	No
Nebraska	No	No
Nevada	Yes	Yes
New Mexico	No	Yes
North Dakota	Yes	Yes
Oklahoma	No	No
South Dakota	No	No
Utah	No	No

Federal oil and gas properties located in all other states where ONRR does not share a portion of Federal royalties with the state are eligible for relief if they qualify as marginal under the regulations. See section 117(c) of RSFA (30 U.S.C. 1726(c)). For information on how to obtain relief, please refer to 30 CFR 1204.205 or to the published rule, which you may view on our Web site at http://www.onrr.gov/Laws_R_D/FRNotices/AC30.htm.
