

disclosure requirements for registration statements filed by foreign private issuers under the Securities Act.

Based on the number of non-accelerated filers that filed an annual report in 2009, we estimate that approximately 4,400 annual reports on Form 10-K and approximately 285 annual reports on Form 20-F are filed annually by non-accelerated filers. The current burden estimates for Form 10-K and Form 20-F attribute 0.5 burden hours per issuer for filing the auditor attestation report, including the burden attributed to the related disclosure in the annual report, and do not include any burden attributed to the audit work.⁶ Consistent with the burden estimates for these forms, that estimate is then split 75% and 25% between internal staff and external professionals for Form 10-K, and 25% and 75% between internal staff and external professionals for Form 20-F. Both estimates assume an hourly rate of \$400 for external professionals. Accordingly, we are reducing the aggregate burden estimate by 1,650 hours of internal staff time and \$220,000 for external professional services for Form 10-K, and 36 hours of internal staff time and \$42,750 for external professional services for Form 20-F.

The information collections requirements related to Forms 10-K and 20-F are mandatory. There is no mandatory retention period for the information disclosed, and the information disclosed is made publicly available on the EDGAR filing system. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64226A; File No. SR-FINRA-2011-005]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Order Granting Approval of a Proposed Rule Change Relating to Promissory Note Proceedings; Correction

April 13, 2011.

Need for Correction

In FR Document No. 2011-8897 beginning on page 20741 as published on Wednesday, April 13, 2011, the Commission issued Release No. 34-64226, an order approving the proposed rule change by the Financial Industry Regulatory Authority, Inc. ("FINRA") to amend Rule 13806 of the Code of Arbitration Procedure for Industry Disputes ("Industry Code"). Commission staff discovered that a statement in the introduction section of that order mischaracterized the nature of the rule change which was described accurately in the remainder of the order. The staff believes this mischaracterization was the result of an editing error.

This correction does not substantively amend the Commission's approval order. The sole purpose of this correction is to rectify the error in the introduction section and alleviate any potential confusion. The introduction section of this approval order is being republished with the correction.

Correction of Publication

Accordingly, the Introduction of the approval order is republished to correct a statement therein, as follows:

I. Introduction

On February 4, 2011, the Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

("Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change to amend Rule 13806 of the Code of Arbitration Procedure for Industry Disputes ("Industry Code") to provide that FINRA will appoint a chair-qualified public arbitrator to a panel resolving a promissory note dispute instead of a chair-qualified public arbitrator also qualified to resolve a statutory discrimination claim. The proposed rule change was published for comment in the **Federal Register** on February 22, 2011.³ The Commission did not receive any comments on the proposal. This order approves the proposed change.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁴

Cathy H. Ahn,
Deputy Secretary.
