

A proposed rule change filed under Rule 19b-4(f)(6)¹⁸ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b4(f)(6)(iii),¹⁹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange states that the proposed rule change does not significantly affect the protection of investors or the public interest and does not impose any significant burden on competition. In addition, the Exchange believes that it has developed adequate trading rules, procedures, surveillance programs, and listing standards for the continued listing and trading of the Shares.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The Commission notes that the Underlying Indexes for the Funds fail to meet the requirements set forth in Commentary .01(a)(A)(5) to NYSE Arca Equities Rule 5.2(j)(3) by only a small amount and that Exchange has represented that the Shares of the Funds currently satisfy all of the other generic listing standards under NYSE Arca Equities Rule 5.2(j)(3) and all other requirements applicable to ICUs, as set forth in Exchange rules and prior Commission orders approving the generic listing rules applicable to the listing and trading of ICUs. Therefore, the Commission believes that the listing and trading of the Shares do not present any novel or significant issues or impose any significant burden on competition, and that waiving the 30-day operative delay will benefit the market and investors by providing market participants with additional investing choices. For these reasons, the Commission designates the proposed rule change as operative under upon filing.²⁰

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
