AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA) as lead agency, with the National Indian Gaming Commission as a cooperating agency, intends to gather information necessary for preparing an Environmental Impact Statement (EIS) for a proposed 333.66± acre trust acquisition and casino development project to be located in unincorporated Tehama County, California. The purpose of the proposed action is to help provide for the economic development of the Greenville Rancheria (Tribe). This notice also announces a public scoping meeting to identify potential issues, alternatives and content for inclusion in the EIS.

DATES: Comments on the scope and implementation of this proposal must arrive by September 23, 2005.

The public scoping meeting will be held September 7, 2005, from 6 p.m. to 9 p.m., or until the last public comment is received.

ADDRESSES: You may mail or hand carry written comments to Clay Gregory, Regional Director, Pacific Region, Bureau of Indian Affairs, 2800 Cottage Way, Sacramento, California 95825. Alternatively, comments may be

submitted at the public scoping meeting.

The public scoping meeting will be held at the Red Bluff Senior Community Center, 1500 South Jackson Street, Red Bluff, California 96080.

FOR FURTHER INFORMATION CONTACT: Mr. John Rydzik, (916) 978-6042.

SUPPLEMENTARY INFORMATION: The Tribe proposes that 333.66± acres of land be taken into trust and that a casino, parking, and other facilities supporting the casino be constructed on the trust acquisition property. The 333.66± acre project site incorporates 4 parcels of land located within unincorporated Tehama County, California, 5 miles south of the city of Red Bluff and approximately 10 miles north of Corning. The site is bounded on the east by Interstate 5, to the northwest by the Corning Canal, to the south by Flores Avenue, and north and southwest by agricultural land.

The foreseeable components of the proposed action are a casino resort and associated facilities. The casino would be approximately 120,000 square feet and would include a main gaming floor, restaurant, buffet, gift shop, two cage areas, restrooms, security, surveillance, and back-of-the-house areas. Supporting infrastructure would include on-site wastewater treatment and disposal facilities, an onsite water system including a well, pump station, and storage tank, a stormwater detention basin, on site parking and a paved access road.

The proposed action and a reasonable range of alternatives, including a no-action alternative, will be analyzed in the EIS. Other possible alternatives currently under consideration are an alternate-use alternative and an off-site alternative located in Plumas County, California. Areas of environmental concern to be addressed in the EIS include land use, geology and soils, water resources, agricultural resources, biological resources, cultural resources, mineral resources, paleontological resources, traffic and transportation, noise, air quality, public health/environmental hazards, public services and utilities, hazardous waste and materials, socio-economics, environmental justice, and visual resources/aesthetics. The range of issues and alternatives addressed may be expanded based on comments received during the scoping process.

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Notice of Intent To Prepare an Environmental Impact Statement for the Proposed Reconstruction of BIA Route 27 on the Pine Ridge Indian Reservation, SD

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA) as lead agency, with the cooperation of the Oglala Sioux Tribe (Tribe), intends to gather the information necessary to prepare an Environmental Impact Statement (EIS) for the proposed reconstruction of BIA Route 27 near Wounded Knee, South Dakota. The BIA intends to coordinate the preparation of this EIS with consultations under the National Historic Preservation Act. The

purpose of the proposed action is to improve the roadway to current safety standards. This notice also announces a public scoping meeting to identify potential issues, alternatives and content to be considered in the EIS.

DATES: Written comments on the scope and implementation of this proposal must arrive by September 26, 2005.

The public scoping meeting will be held Tuesday, September 13, 2005, from 6:30 p.m. to 8:30 p.m., or until the last public comment is received.

ADDRESSES: You may mail or hand carry written comments to Marilyn Bercier, Bureau of Indian Affairs, Great Plains Regional Office, 115 4th Avenue SE., Aberdeen, South Dakota 57401.

The public scoping meeting will be held in the gymnasium at the Wounded Knee District School, 1 Main Street, Manderson, South Dakota.

FOR FURTHER INFORMATION CONTACT: Marilyn Bercier, (605) 226-7645.

SUPPLEMENTARY INFORMATION: The BIA and the Tribe propose to reconstruct BIA Route 27 from a point 5.3 miles northeast of its intersection with BIA Rt. 28 and then about 7.5 miles south and east to its intersection with State Highway 18. BIA Route 27 is located on the Pine Ridge Indian Reservation in Townships 36, 37 & 38 North and Ranges 42 & 43 West in Shannon County, South Dakota.

The purpose of the proposed reconstruction is to meet current safety guidelines. The existing asphalt surface is distressed and deteriorating. Numerous safety deficiencies include steep side slopes, abrupt vertical and horizontal curvatures, narrow roadway surfaces, steep in-slopes and back-slopes, protruding pipes, improper sight distances and roadside obstructions (trees) within clear zones. The highway provides residential access and serves as a major connector route to and from the Pine Ridge Community, but currently poses severe safety hazards to the members of the Tribe and the general traveling public.

Areas of environmental concern so far identified for analysis in the EIS include socio-economics, transportation, groundwater and surface water, wildlife and habitat, cultural resources, aesthetics, land uses, health and safety, and threatened, endangered, or special-status species. The range of issues to be addressed may be expanded based on comments received during the scoping process.

Public Comment Availability

Comments, including names and addresses of respondents, will be available for public review at the

mailing address shown in the **ADDRESSES** section during regular business hours, 7:45 a.m. to 4:30 p.m., Monday through Friday, except holidays. Individual respondents may request confidentiality.
