#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The Energy Policy Act of 2005 (Pub. L. 109-58) authorizes the Secretary to approve individual TERAs. The intent of these agreements is to promote tribal oversight and management of energy and mineral resource development on tribal lands and further the goal of Indian self-determination. A TERA offers a tribe an entirely new alternative for developing energy-related business agreements and awarding leases and granting rights-of-way for energy facilities without having to obtain further approval from the Secretary.
