SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0361, SEC File No. 270-318]

Submission for OMB Review; Comment Request; Extension: Form ADV-E

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Form ADV-E (17 CFR 279.8) is the cover sheet for certificates of accounting filed pursuant to rule 206(4)-2 under the Investment Advisers Act of 1940 (17 CFR 275.206(4)-2). The rule further requires that the public accountant file with the Commission a Form ADV-E and accompanying statement within four business days of the resignation, dismissal, removal or other termination of its engagement.

The Commission has estimated that compliance with the requirement to complete Form ADV-E imposes a total burden of approximately 0.05 hours (3 minutes) per respondent. Based on current information from advisers registered with the Commission, the Commission staff estimates that 1,743 filings will be submitted with respect to surprise examinations and 33 filings will be submitted with respect to termination of accountants. Based on these estimates, the total estimated annual burden would be 88.80 hours ((1,743 filings × .05 hours) + (33 filings × .05 hours)).

The information provided on Form ADV-E is mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor a collection of information unless it displays a

currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

Submission for OMB Review; Comment Request; Extension: Form 11-K

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Form 11-K (17 CFR 249.311) is the annual report designed for use by employee stock purchase, savings and similar plans to comply with the reporting requirements under Section 15(d) of the Securities and Exchange Act of 1934 (the "Exchange Act") (15 U.S.C. 78o(d)). Section 15(d) establishes a periodic reporting obligation for every issuer of securities registered under the Securities Act of 1933 (the "Securities Act") (15 U.S.C. 77a *et seq.*). Form 11-K provides employees of an issuer with financial information so that they can

assess the performance of the stock plan or investment vehicle. The information collected must be filed with the Commission and is publicly available. Form 11-K takes approximately 30 hours per response and is filed by 1,302 respondents for total of 39,060 burden hours (30 hours per response × 1,302 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-149, OMB Control No. 3235-0130]

Proposed Collection; Comment Request; Extension: Rule 17Ad-2(c), (d), and (h)

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17Ad-2(c), (d), and (h), (17 CFR 240.17Ad-2(c), (d), and (h)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17Ad-2(e),(d), and (h) enumerates the requirements with which transfer agents must comply to inform the Commission or the appropriate regulator of a transfer agent's failure to meet the minimum performance standards set by the Commission rule by filing a notice.

The Commission receives approximately 3 notices a year pursuant to Rule 17Ad-2(c), (d), and (h). The estimated annual time burden of these filings on respondents is minimal in view of: (a) The readily available nature of most of the information required to be included in the notice (since that information must be compiled and retained pursuant to other Commission rules); and (b) the summary fashion in which such information must be presented in the notice (most notices are one page or less in length). In light of the above, and based on the experience of the staff regarding the notices, the Commission staff estimates that, on average, most notices require approximately one-half hour to prepare. Thus, the Commission staff estimates that the industry-wide total time burden is approximately 1.5 hours per year.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549, or send an email to: PRA_Mailbox@sec.gov.

Dated: December 28, 2021.

Submission for OMB Review; Comment Request; Extension: Regulation FD

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Regulation FD (17 CFR 243.100 *et seq.*)—Other Disclosure Materials requires public disclosure of material information from issuers of publicly traded securities so that investors have current information upon which to base investment decisions. The purpose of the regulation is to require that: (1) When an issuer intentionally discloses material information, to do so through public disclosure, not selective disclosure; and (2) to make prompt public disclosure of material information that was unintentionally selectively disclosed. Regulation FD was adopted due to a concern that the practice of selective disclosure leads to a loss of investor confidence in the integrity of our capital markets. All information is provided to the public for review. The information required is filed on occasion and is mandatory. We estimate that approximately 13,000 issuers make Regulation FD disclosures approximately five times a year for a total of 58,000 submissions annually, not including an estimated 7,000 issuers who file Form 8-K to comply with Regulation FD. We estimate that it takes approximately 5 hours per response (58,000 responses x 5 hours) for a total burden of 290,000 hours annually. In addition, we estimate that 25% of the 5 hours (1.25 hours) is prepared by the filer for an annual reporting burden of 72,500 hours (1.25 hours per response x 58,000 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
