DATES: Wednesday, March 26, 2014, 1:30 p.m.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission's document in CC Docket No. 92-237, DA 14-325 released March 10, 2014. The complete text in this document is available for public inspection and copying during normal business hours in the FCC Reference Information Center, Portals II, 445 12th Street SW., Room CY-A257, Washington, DC 20554. The North American Numbering Council (NANC) has scheduled a closed meeting to be held Wednesday, March 26, 2014 at 1:30 p.m. The meeting will be held at the Federal Communications Commission, Portals II, 445 12th Street SW., Washington, DC.

The notice of this meeting was first published in the **Federal Register** on March 13, 2014, 13 days in advance of the meeting on March 26, 2014. While the publication did not meet the 15-day requirement for advance publication, exceptional circumstances warrant proceeding with the March 26, 2014 NANC meeting. The NANC Chair, Vice Chair, and most NANC members were informed of the potential March 26 meeting via emails in January. The rest of the NANC members were notified informally of the proposed March 26 meeting in January or February, and on more than one occasion. A significant number of Council members have made business and travel plans in accordance with this schedule, and there is no date within one month of the planned date that will accommodate Council members' schedules. Delaying the meeting will also cause undue financial burdens on many of the members who have made travel arrangements. Further, recognizing the delay in **Federal Register** publication, the agency issued a Public Notice of this meeting on March 10, 2014, to mitigate the late **Federal Register** publication delay and as an additional way of advising the public of this meeting. The agency has also posted all NANC meeting dates on the FCC NANC Web site to further inform the public. As the March meeting date has been disseminated to all NANC members and the public, the March 26, 2014 meeting has now been broadly announced.

People with Disabilities: To request materials in accessible formats for people with disabilities (braille, large print, electronic files, audio format), send an email to fcc504@fcc.gov or call the Consumer and Governmental Affairs Bureau at 202-418-0530 (voice), 202-418-0432 (tty). Reasonable accommodations for people with disabilities are available upon request. Include a description of the accommodation you will need, including as much detail as you can. Also include a way we can contact you if we need more information. Please

allow at least five days advance notice; last minute requests will be accepted, but may be impossible to fill.

Proposed Agenda: Wednesday, March 26, 2014, 1:30 p.m.

1. Discussion of the Local Number Portability Administrator selection process and bids submitted by vendor(s) that want to become the LNPA, followed by a vote of the NANC members on submitting a recommendation to the FCC for vendor(s) selection and regarding the LNPA selection process.

SUPPLEMENTARY INFORMATION: Federal Property Management Regulation (FPMR) Bulletin D-239, published in the **Federal Register** on October 16, 1996 (61 FR 53924), announced a new GSA leasing program called "Can't Beat GSA Leasing" and the delegation of lease acquisition authority issued by the Administrator of General Services to the heads of all Federal agencies in his letter of September 25, 1996. GSA Bulletin FPMR D-239, Supplement 1, published in the **Federal Register** on December 18, 1996 (61 FR 66668), issued supporting information for the delegation. GSA Bulletin FMR 2005-B1, published in the **Federal Register** on May 25, 2005 (70 FR 30115), revised and re-emphasized certain procedures associated with the delegation of General Purpose leasing authority.

On August 24, 2007, the Government Accountability Office and the GSA Office of Inspector General issued a report recommending that GSA provide centralized management and oversight of all lease delegation activities to ensure that all federal agencies procuring leased space under delegated authority follow the conditions, restrictions and reporting requirements specified in the delegation of authority. In response to the audit recommendations, GSA centralized its management and oversight of all GSA-authorized lease delegations and, on November 19, 2007, published FMR Bulletin 2008-B1 in the **Federal Register** (72 FR 65026), which limited General Purpose delegations of lease authority to no more than 19,999 rentable square feet of space and implemented management controls commensurate with the risks at that threshold. In addition, FMR Bulletin 2008-B1 established new requirements
