

characteristics of the Funds, including a statement regarding their redeemability and method of creation, and a statement regarding the likelihood of whether such products will trade below, at, or above net asset value, based on the rule of discount or premiums.¹⁵ The delivery requirement will extend to a member or member organization carrying an omnibus account for a non-member broker-dealer, who must notify the non-member to make the product description available to its customers on the same terms as are directly applicable to members and member organizations. Finally, Commentary .03 provides that a member or member organization must deliver a prospectus to a customer upon request.

The Commission also notes that prior to commencement of trading in the Funds, the Exchange will issue a circular to its members explaining the unique characteristics and risks of this particular type of security. The circular also will note the Exchange members' prospectus or product description delivery requirements, and highlight the characteristics of purchases in the iShares S&P Europe 350 Funds and iShares S&P/TSE 60 Fund. The circular also will inform members of their responsibilities under Amex Rule 411 in connection with customer transactions in these securities.

Accordingly, the Commission believes that the rules governing the trading of the iShares S&P Europe 350 Fund and iShares S&P/TSE 60 Fund provide adequate safeguards to prevent manipulative acts and practices and to protect investors and the public interest.

Scope of the Order

The Commission is approving the iShares S&P Europe 350 Fund and iShares S&P/TSE 60 Fund. Approval of iShares on the S&P Euro Index, Dow Jones Global Media Sector Index, Dow Jones Global Pharmaceuticals Sector Index, and Dow Jones Global Telecommunications Sector Index remains pending. Additionally, approval of other similarly structured products, or additional iShare Funds based on foreign stock indexes will require review by the Commission pursuant to Section 19(b) of the Act prior to being traded on the Exchange.

IV. Conclusion

It Is Therefore Ordered, pursuant to Section 19(b)(2) of the Act,¹⁶ that the proposed rule change (SR-Amex-99-

49) is partially approved with respect to the iShares S&P Europe Index Fund and iShares S&P/TSE 60 Fund.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁷
