Notice of Final Determinations of Sales at Less Than Fair Value: Certain Durum Wheat and Hard Red Spring Wheat from Canada

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Final Determinations of Antidumping Duty Investigations.

SUMMARY: On May 8, 2003, the Department of Commerce published the preliminary determinations in the antidumping duty investigations of durum wheat and hard red spring wheat from Canada. We gave interested parties an opportunity to comment on the preliminary determinations. Based upon the results of verification and our analysis of the comments received, we have made certain changes to the margin calculations presented in the final determinations of these investigations. We continue to find that durum wheat and hard red spring wheat from Canada were sold in the United States below normal value during the period of investigation. The final weighted-average dumping margins are listed below in the section entitled "Continuation of Suspension of Liquidation."

EFFECTIVE DATE: September 5, 2003.
