EFFECTIVE DATE: August 22, 2002.

FOR FURTHER INFORMATION CONTACT: John Conniff or Drew Jackson, AD/CVD Enforcement, Office 4, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-1009 or (202) 482-4406, respectively.

SUPPLEMENTARY INFORMATION:

Time Limits

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department of Commerce (the Department) to make a preliminary determination within 245 days after the last day of the anniversary month of an order or finding for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the 245-day time limit for the preliminary determination to a maximum of 365 days and the time limit for the final determination to 180 days (or 300 days if the Department does not extend the time limit for the preliminary determination) from the date of publication of the preliminary determination.

Background

On February 26, 2002, the Department published a notice of initiation of administrative review of the antidumping duty order on potassium permanganate from the People's

Republic of China, covering the period January 1, 2001 through December 31, 2001. *See Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 67 FR 8780. The preliminary results are currently due no later than October 3, 2002.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of this review within the original time limit because of the time needed to consider certain factual issues in the case. Therefore, the Department is extending the time limit for completion of the preliminary results until no later than January 31, 2003. *See Decision Memorandum from Holly A. Kuga to Bernard T. Carreau*, dated concurrently with this notice, which is on file in the Central Records Unit, Room B-099 of the Department's main building. We intend to issue the final results no later than 120 days after the publication of the preliminary results notice.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: August 16, 2002.

Bernard T. Carreau,

Deputy Assistant Secretary for Import Administration, Group II.
