Information Collections Open for Comment

Currently, we are seeking comments on the following forms, recordkeeping requirements, or questionnaires:

OMB Control Number: 1513–0007.

TTB Form Numbers: TTB F 5130.9 and TTB F 5130.26.

Abstract: The Internal Revenue Code (IRC) requires brewers to file periodic reports of their brewing and associated operations. Brewers that anticipate an annual tax liability of \$50,000 or more with respect to beer must use TTB F 5130.9 to file monthly operational reports. Brewers that reasonably expect to be liable for not more than \$50,000 in taxes with respect to beer in the preceding calendar year and during the current calendar year may use either TTB F 5130.9 or the simplified TTB F 5130.26 to file quarterly operational reports. TTB uses these reports to determine whether the brewer’s operations are in compliance with the requirements of Federal law and regulations. We also use this information to assist us in determining whether the brewer pays the proper Federal excise taxes in a timely and accurate manner.

Current Actions: We are submitting this information collection as a revision of this collection as last approved by OMB for six months in October 2014. We are removing from this information collection older versions of TTB F 5130.9 and TTB F 5130.26 used by brewers to report operational activities that occurred prior to 2015, and we are retaining the revised versions of TTB F 5130.9 and TTB F 5130.26 that brewers will use to report operational activities occurring on and after January 1, 2015. In addition, we are revising the number of respondents and the total annual burden hours to reflect an increase in the number of respondents.

Type of Review: Revision of a currently approved collection.

Affected Public: Businesses or other for-profits.

Estimated Number of Respondents: 3,200.

Estimated Total Annual Burden Hours: 12,636.

Title: Application and Permit To Ship Liquors and Articles of Puerto Rican Manufacture Taxpaid to the United States.

OMB Number: 1513–0008.

TTB Form Number: TTB F 5170.7.

Abstract: Industry members use TTB F 5170.7 to document the shipment of taxpaid Puerto Rican distilled spirits and other alcohol products to the United States. Puerto Rican and U.S. Treasury Department officials review the form to certify that the products are either taxpaid or tax deferred under appropriate bond. This serves as a method of protecting the revenue.

Current Actions: TTB is submitting this information collection for extension purposes only. The information collection, estimated number of
