### Large Diameter Welded Pipe From Canada, China, Greece, India, South Korea, and Turkey; Institution of Five-Year Reviews

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice that it has instituted reviews pursuant to the Tariff Act of 1930 ("the Act"), as amended, to determine whether revocation of the countervailing duty orders on large diameter welded pipe from China, India, South Korea, and Turkey and the antidumping duty orders on large diameter welded pipe from Canada, China, Greece, India, South Korea, and Turkey would be likely to lead to continuation or recurrence of material injury. Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

**DATES:** Instituted February 1, 2024. To be assured of consideration, the deadline for responses is March 4, 2024. Comments on the adequacy of responses may be filed with the Commission by April 10, 2024.

#### SUPPLEMENTARY INFORMATION:

**Background.**—On March 6, 2019, the Department of Commerce ("Commerce") issued antidumping and countervailing duty orders on imports of large diameter welded pipe from China and India (84 FR 8075-8077, 8079-8081, and 8083-8086). On May 2, 2019, the Department of Commerce ("Commerce") issued countervailing duty orders on imports of large diameter welded pipe from South Korea and Turkey (84 FR 18771-18775) and antidumping duty orders on imports of large diameter welded pipe from Canada, Greece, South Korea, and Turkey (84 FR 18767-18771, 18775-18777, and 18799-18801). The Commission is conducting reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

**Definitions.**—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.

(2) The *Subject Countries* in these reviews are Canada, China, Greece, India, South Korea, and Turkey.

(3) The *Domestic Like Product* is the domestically produced product or

products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original affirmative determinations, the Commission defined two *Domestic Like Products*: large diameter welded carbon and alloy steel line pipe and large diameter welded carbon and alloy steel structural pipe. One Commissioner defined the *Domestic Like Product* differently.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original affirmative determinations, the Commission defined the *Domestic Industry* to include all domestic producers other than Evraz Oregon of each type of *Domestic Like Product* in the definitions of the two *Domestic Industries* producing large diameter welded carbon and alloy steel line pipe and large diameter welded carbon and alloy steel structural pipe. The Commission excluded Evraz Oregon as a related party from the *Domestic Industries* producing large diameter welded carbon and alloy steel line pipe and large diameter welded carbon and alloy steel structural pipe in its original determinations. One Commissioner defined the *Domestic Industry* differently.

(5) The *Order Dates* are the dates that the orders under review became effective. In the reviews concerning China and India, the *Order Date* is March 6, 2019. In the reviews concerning Canada, Greece, South Korea, and Turkey, the *Order Date* is May 2, 2019.

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

**Participation in the proceeding and public service list.**—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons,

or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post-employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Charles Smith, Office of the General Counsel, at 202–205–3408.

**Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.**—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Certification.**—Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that information submitted in response to this request for information and throughout this proceeding or other proceeding may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for

developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

**Written submissions.**—Pursuant to § 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is on or before 5:15 p.m. on March 4, 2024. Pursuant to § 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is on or before 5:15 p.m. on April 10, 2024. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings. Also, in accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

No response to this request for information is required if a currently valid Office of Management and Budget ("OMB") number is not displayed; the OMB number is 3117 0016/USITC No. 24–5–589, expiration date June 30, 2026. Public reporting burden for the request is estimated to average 15 hours per response. Please send comments

regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436.

**Inability to provide requested information.**—Pursuant to § 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to § 776(b) of the Act (19 U.S.C. 1677e(b)) in making its determinations in the reviews.

**Information to be Provided in Response to This Notice of Institution:** Please provide the requested information separately for each *Domestic Like Product*, as defined by the Commission in its original determinations, and for each of the products identified by Commerce as *Subject Merchandise*. If you are a domestic producer, union/worker group, or trade/business association; import/export *Subject Merchandise* from more than one *Subject Country*; or produce *Subject Merchandise* in more than one *Subject Country*, you may file a single response. If you do so, please ensure that your response to each question includes the information requested for each pertinent *Subject Country*. As used below, the term “firm” includes any related firms.

Those responding to this notice of institution are encouraged, but not required, to visit the USITC's website at [https://usitc.gov/reports/response\\_noi\\_worksheet](https://usitc.gov/reports/response_noi_worksheet), where one can download and complete the “NOI worksheet” Excel form for the subject proceeding, to be included as attachment/exhibit 1 of your overall response.

(5) A list of all known and currently operating U.S. producers of the *Domestic Like Products*. Identify any known related parties and the nature of the relationship as defined in § 771(4)(B) of the Act (19 U.S.C. 1677(4)(B)).

### Certain Power Converter Modules and Computing Systems Containing the Same; Notice of Commission Decision Not To Review an Initial Determination Granting an Unopposed Motion To Amend the Complaint and Notice of Investigation

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 18) of the presiding Administrative Law Judge (“ALJ”) granting an unopposed motion to amend the complaint and notice of investigation to add DET Logistics (USA) Corporation (“DET”) of Fremont, California, as a respondent.

Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email [EDIS3Help@usitc.gov](mailto:EDIS3Help@usitc.gov). General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the

Commission's TDD terminal on (202) 205–1810.

**SUPPLEMENTARY INFORMATION:** On August 17, 2023, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Vicor Corporation of Andover, Massachusetts. *See* 88 FR 56050–51 (Aug. 17, 2023). The complaint, as supplemented, alleges a violation of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain power converter modules and computing systems containing the same by reason of the infringement of certain claims of U.S. Patent Nos. 9,166,481; 9,516,761; and 10,199,950. *See id.* The notice of investigation names the following respondents: Delta Electronics, Inc. of Taipei, Taiwan; Delta Electronics (Americas) Ltd. of Fremont, California; Delta Electronics (USA) Inc. of Plano, Texas; Cynotec Co., Ltd. of Hsinchu, Taiwan; Quanta Computer Inc. and Quanta Cloud Technology Inc., both of Taoyuan City, Taiwan; Quanta Cloud Technology USA LLC of San Jose, California; Quanta Computer USA Inc. of Fremont, California; Hon Hai Precision Industry Co. Ltd. (d/b/a, Foxconn Technology Group) of Taipei City, Taiwan; Foxconn Industrial internet Co. Ltd. of Shenzhen, China; FII USA Inc. (a/k/a Foxconn Industrial, internet USA Inc.) of Milwaukee, Wisconsin; Ingrasys Technology Inc. of Taoyuan City, Taiwan; and Ingrasys Technology USA Inc. of Fremont, California. *See id.* The Office of Unfair Import Investigations is also a party to the investigation. *See id.*

On December 21, 2023, Complainant filed an unopposed motion to amend the complaint and notice of investigation to add DET as a respondent. No response to the motion was received.

On January 2, 2024, the ALJ issued the subject ID (Order No. 18) granting the motion. The ID finds that, under Commission Rule 210.14(b), 19 CFR 210.14(b), “good cause exists to allow the proposed amendment” because “Vicor was able to identify DET's role in the supply chain . . . only after having received confidential information from the Delta Respondents during discovery.” *See* ID at 2. In addition, the ID finds that “[t]he proposed amendment . . . will not prejudice the public interest or the rights of the parties to this investigation.” *See id.*

No petition for review of the subject ID was filed.
