Abstract: The purpose of the 21st Century Community Learning Centers (21st CCLC) program, as authorized under title IV, part B, of the Elementary

and Secondary Education Act, section 4201 *et seq.*, (20 U.S.C. 7171 *et seq.*, attached to submission package), is to provide expanded academic enrichment opportunities for children attending low-performing schools. Tutorial services and academic enrichment activities are designed to help students meet local and state academic standards in subjects such as reading and math. In addition, 21st CCLC programs provide youth development activities, drug and violence prevention programs, technology education programs, art, music and recreation programs, counseling, and character education to enhance the academic component of the program. In support of this program, Congress appropriated nearly \$1.1 billion for 21st CCLC programs for fiscal year 2013. Consisting of public and nonprofit agencies, community- and faith-based organizations, local businesses, postsecondary institutions, scientific/cultural and other community entities, 4,077 subgrantees operating 9,989 centers-provided academic and enrichment services and activities to over 1.7 million children.

Title of Collection: Charter Schools Program (CSP) Grant Award Database.

OMB Control Number: 1855-0016.

Type of Review: A revision of an existing information collection.

Respondents/Affected Public: State, Local and Tribal Governments.

Total Estimated Number of Annual Responses: 81.

Total Estimated Number of Annual Burden Hours: 139.

Abstract: This request is for an extension of OMB approval to collect data for the Charter Schools Program (CSP) Grant Awards Database. This current data collection is being coordinated with the EDFacts Initiative to reduce respondent burden and fully utilize data submitted by States and available to the U.S. Department of Education (ED). Specifically, under the current data collection, ED collects CSP grant award information from grantees (State agencies, charter management organizations, and some schools) to create a new database of current CSP-funded charter schools. Together, these data allow ED to monitor CSP grant

performance and analyze data related to accountability for academic purposes, financial integrity, and program effectiveness.
