1. *Type of Information Collection Request:* Extension of a currently approved collection; *Title of Information Collection:* Medicare and Medicaid Programs: Programs of All-Inclusive Care for the Elderly (PACE); *Use:* PACE organizations must demonstrate their ability to provide quality community-based care for the frail elderly who meet their State's nursing home eligibility standards using capitated payments from Medicare and the state. The model of care includes as core services the provision of adult day health care and multidisciplinary team case management, through which access to and allocation of all health services is controlled. Physician, therapeutic, ancillary, and social support services are provided in the participant's residence or on-site at the adult day health center. PACE programs must provide all Medicare and Medicaid covered services including hospital, nursing home, home health, and other specialized services. Financing of this model is accomplished through prospective capitation of both Medicare and Medicaid payments. The information collection requirements are necessary to ensure that only appropriate organizations are selected to become PACE organizations and that CMS has the information necessary to monitor the care provided to the frail, vulnerable population served. *Form Number:* CMS-R-244 (OMB#: 0938-0790); *Frequency:* Once and Occasionally; *Affected Public:* State, Local, or Tribal Governments and Not-for-profit institutions; *Number of Respondents:* 99; *Total Annual Responses:* 99; *Total Annual Hours:* 81,911.5.
