# FEDERAL COMMUNICATIONS COMMISSION

[CC Docket No. 96-45; DA 02-1005]

Wireline Competition Bureau Seeks Comment on Guam Cellular and Paging, Inc. d/b/a Saipancell Petition for Designation as an Eligible Telecommunications Carrier on the Island of Saipan in the Commonwealth of the Northern Mariana Islands

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice; solicitation of comments.

**SUMMARY:** This document seeks comments on the Guam Cellular and

Paging, Inc. d/b/a Saipancell (Saipancell) petition seeking designation of eligibility to receive federal universal service support for service offered on the island of Saipan in the Commonwealth of the Northern Mariana Islands.

**DATES:** Comments are due on June 17, 2002. Reply comments are due on July 1, 2002.

**ADDRESSES:** See Supplementary Information section for where and how to file comments.

#### FOR FURTHER INFORMATION CONTACT:

Mark G. Seifert, Deputy Chief, Telecommunications Access Policy Division, Wireline Competition Bureau, (202) 418–7400, TTY: (202) 418–0484.

SUPPLEMENTARY INFORMATION: On February 19, 2002, Guam Cellular and Paging, Inc. d/b/a Saipancell (Saipancell) filed with the Commission a petition under section 214(e)(6) seeking designation as an eligible telecommunications carrier (ETC) to receive federal universal service support for service offered on the island of Saipan in the Northern Mariana Islands. The Commission issued a Public Notice, 67 FR 13332 (March 22, 2002), on March 4, 2002 seeking comment on the Saipancell Petition. Saipancell subsequently filed an amendment to its petition and at Saipancell's direction, the Commission is tolling the filing of the Saipancell Petition to April 15,

Saipancell contends that the CTC, which has jurisdiction over telecommunications in the Northern Mariana Islands, has provided an affirmative statement that it does not regulate commercial mobile radio service (CMRS) carriers, Saipancell meets all the statutory and regulatory prerequisites for ETC designation, and designating Saipancell as an ETC will serve the public interest.

Pursuant to § 54.207(c) of the Commission's rules, Saipancell also requests that the Commission redefine the service area of the incumbent rural local exchange carrier, Micronesian Telephone Corporation (MTC). MTC serves three islands in the Northern Mariana Islands-Saipan, Tinian, and Rota. Saipancell seeks redefinition of the MTC service area to enable Saipancell to be designated as an ETC only for the island of Saipan. The Wireline Competition Bureau seeks comment on the Saipancell Petition, including the requested service area redefinition. Parties that have already filed comments on the Saipancell Petition may, but are not required to, resubmit their comments.

The petitioner must provide copies of its petition to the CTC at the time of filing with the Commission. The Commission will also send a copy of this Public Notice to the CTC by overnight express mail to ensure that the CTC is notified of the notice and comment period.

Pursuant to §§ 1.415 and 1.419 of the Commission's rules, interested parties may file comments as follows: comments are due June 17, 2002, and reply comments are due July 1, 2002. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. See Electronic Filing of Documents in Rulemaking Proceedings, 63 FR 24121 (May 1, 1998).

Comments filed through the ECFS can be sent as an electronic file via the Internet to <a href="http://www.fcc.gov/e-file/">http://www.fcc.gov/e-file/</a> ecfs.html>. Generally, only one copy of an electronic submission must be filed. If multiple docket or rulemaking numbers appear in the caption of this proceeding, however, commenters must transmit one electronic copy of the comments to each docket or rulemaking number referenced in the caption. In completing the transmittal screen, commenters should include their full name, U.S. Postal Service mailing address, and the applicable docket or rulemaking number. Parties may also submit an electronic comment by Internet e-mail. To get filing instructions for e-mail comments, commenters should send an e-mail to ecfs@fcc.gov, and should include the following words

in the body of the message, "get form <your e-mail address>." A sample form and directions will be sent in reply. Parties who choose to file by paper must file an original and four copies of each filing. If more than one docket or rulemaking number appear in the caption of this proceeding, commenters must submit two additional copies for each additional docket or rulemaking number. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Vistronix, Inc., will receive handdelivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, NE., Suite 110, Washington, DC 20002. The filing hours at this location are 8 a.m. to 7 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building. Commercial overnight mail (other than U.S. Postal Service Express Mail and Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12th Street, SW., Washington, DC 20554. All filings must be addressed to the Commission's Secretary, Office of the Secretary, Federal Communications Commission.

Parties also must send three paper copies of their filing to Sheryl Todd,

Telecommunications Access Policy Division, Wireline Competition Bureau, Federal Communications Commission, 445 Twelfth Street SW., Room 5–B540, Washington, DC 20554. In addition, commenters must send diskette copies to the Commission's copy contractor, Qualex International, Portals II, 445 Twelfth Street, SW., Room CY–B402, Washington, DC 20054.

Pursuant to 47 CFR 1.1206, this proceeding will be conducted as a permit-but-disclose proceeding in which *ex parte* communications are permitted subject to disclosure.

Federal Communications Commission.

#### Mark G. Seifert,

Deputy Chief, Telecommunications Access Policy.
