

may contest this suspension or the scope of this suspension by filing arguments in opposition to the suspension, with any relevant documentation. Your request must be received within 30 days after you receive this letter or after notice is published in the **Federal Register**, whichever comes first.⁶ Such requests, however, will not ordinarily be granted.⁷ The Bureau may reverse or limit the scope of suspension only upon a finding of extraordinary circumstances.⁸ Absent extraordinary circumstances, the Bureau will decide any request for reversal or modification of suspension within 90 days of its receipt of such request.⁹

II. Notice of Proposed Debarment

A. Reasons for and Cause of Debarment

The Commission's rules establish procedures to prevent persons who have "defrauded the government or engaged in similar acts through activities associated with or related to the schools and libraries support mechanism" from receiving the benefits associated with that program.¹⁰ On August 26, 2003, you admitted to participating in a combination and conspiracy with West Fresno Elementary School District representatives, a consultant and others representing potential competitors, on behalf of your employer, Howe Electric, Inc.¹¹ Specifically, you admitted that you and the other co-conspirators combined, conspired, and agreed that: (1) Howe Electric, Inc. would be the successful bidder to provide goods and services for the schools and libraries E-Rate project in the district, while no other co-conspirator companies would bid for the project; (2) certain co-conspirator companies would be Howe Electric's subcontractors; and (3) any competing bids would be disqualified as nonresponsive.¹²

These actions constitute the conduct or transactions upon which this debarment proceeding is based.¹³ Moreover, your conviction on the basis of these acts falls within the categories of causes for debarment defined in section 54.521(c) of the Commission's rules.¹⁴ Therefore, pursuant to

section 54.521(a)(4) of the Commission's rules, your conviction requires the Bureau to commence debarment proceedings against you.

B. Debarment Procedures

You may contest debarment or the scope of the proposed debarment by filing arguments and any relevant documentation within 30 calendar days of the earlier of the receipt of this letter or of publication in the **Federal Register**.¹⁵ Absent extraordinary circumstances, the Bureau will debar you.¹⁶ Within 90 days of receipt of any opposition to your suspension and proposed debarment, the Bureau, in the absence of extraordinary circumstances, will provide you with notice of its decision to debar.¹⁷ If the Bureau decides to debar you, its decision will become effective upon the earlier of your receipt of a debarment notice or publication of its decision in the **Federal Register**.¹⁸

C. Effect of Debarment

If and when your debarment becomes effective, you will be prohibited from participating in activities associated with or related to the schools and libraries support mechanism for at least three years from the date of debarment.¹⁹ The Bureau may, if necessary to protect the public interest, extend the debarment period.²⁰
