

to avoid disclosure of the name of the appealing institution and exempt information. In cases in which redaction is deemed insufficient to prevent improper disclosure, published decisions may be presented in summary form. Published Office decisions may be cited as precedent in appeals to the Office. Annual reports on Division Directors' decisions with respect to institutions' requests for review of material supervisory determinations also will be published.

I. Appeal Guidelines Generally

Appeals to the Office will be governed by these Guidelines. The Office, with the concurrence of the Legal Division, will retain discretion to waive any provision of the Guidelines for good cause. Supplemental rules governing the Office's operations may be adopted.

J. Limitation on Agency Ombudsman

The subject matter of a material supervisory determination for which either an appeal to the Office has been filed, or a final Office decision issued, is not eligible for consideration by the Ombudsman. However, pursuant to Section (G)(4) of these Guidelines, the Ombudsman may submit views to the Office for its consideration in connection with any pending appeal.

K. Coordination With State Regulatory Authorities

In the event that a material supervisory determination subject to a request for review is the joint product of the FDIC and a State regulatory authority, the Director, DCP, the Director, RMS, or the Director, CISR, as appropriate, will promptly notify the appropriate State regulatory authority of the request, provide the regulatory authority with a copy of the institution's request for review and any other related materials, and solicit the regulatory authority's views regarding the merits of the request before making a determination. In the event that an appeal is subsequently filed with the Office, the Office will notify the institution and the State regulatory authority of its decision. Once the Office has issued its determination, any other issues that may remain between the institution and the State authority will be left to those parties to resolve.

L. Effect on Supervisory or Enforcement Actions

The use of the procedures set forth in these Guidelines by any institution will not affect, delay, or impede any formal or informal supervisory or enforcement action in progress during the appeal or affect the FDIC's authority to take any

supervisory or enforcement action against that institution.

M. Effect on Applications or Requests for Approval

Any application or request for approval made to the FDIC by an institution that has appealed a material supervisory determination that relates to, or could affect the approval of, the application or request will not be considered until a final decision concerning the appeal is made unless otherwise requested by the institution.

N. Prohibition on Examiner Retaliation

The FDIC has an experienced examination workforce and is proud of its professionalism and dedication. FDIC policy prohibits any retaliation, abuse, or retribution by an agency examiner or any FDIC personnel against an institution. Such behavior against an institution that appeals a material supervisory determination constitutes unprofessional conduct and will subject the examiner or other personnel to appropriate disciplinary or remedial action. Institutions that believe they have been retaliated against are encouraged to contact the Regional Director for the appropriate FDIC region. Any institution that believes or has any evidence that it has been subject to retaliation may file a complaint with the Director, Office of the Ombudsman, Federal Deposit Insurance Corporation, 3501 Fairfax Drive, Suite E-2022, Arlington, VA 22226, explaining the circumstances and the basis for such belief or evidence and requesting that the complaint be investigated and appropriate disciplinary or remedial action taken. The Office of the Ombudsman will work with the appropriate Division Director to resolve the allegation of retaliation.
