### Student Financial Assistance; Federal Perkins Loan, Federal Work-Study (FWS), and Federal Supplemental Educational Opportunity Grant (FSEOG) Programs

**ACTION:** Notice of deadline dates for request and supporting documents for funding or waivers for the remainder of the 2001-2002 award year.

**SUMMARY:** The Secretary announces deadline dates for an institution of higher education to submit various requests and documents under the Campus-Based programs for the remainder of the 2001-2002 award year (January 1, 2002 through June 30, 2002). The Department believes it is more customer friendly and helpful for an institution to have one annual notice, rather than several, for an award year.

**FOR FURTHER INFORMATION CONTACT:** Mr. Richard Coppage, Campus-Based Operations, Student Financial Assistance, U.S. Department of Education, 830 First Street, NE., Washington, DC 20202-5453. Telephone: (202) 377-3174.

If you use a telecommunications device for the deaf (TDD), you may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

Individuals with disabilities may obtain this document in an alternative

format, (e.g., Braille, large print, audiotape, or computer diskette) on request to the contact person listed under **FOR FURTHER INFORMATION CONTACT**.

**SUPPLEMENTARY INFORMATION:** There are three programs that we refer to as the Campus-Based programs: The Perkins Loan Program encourages institutions to make low-interest, long term loans to needy undergraduate and graduate students to help pay for their cost of education.

The FSEOG Program encourages institutions to provide grants to exceptionally needy undergraduate students to help pay for their cost of education.

The FWS Program encourages the part-time employment of needy undergraduate and graduate students to help pay for their cost of education and encourages these students to participate in community service activities. An institution may use part of its FWS funds to locate and develop jobs for students under the Job Location and Development Program. An eligible institution that meets the definition of a "Work-College" may participate in the Work-Colleges Program.

The Federal Perkins Loan, FWS, and FSEOG Programs are authorized by parts E and C, and part A, subpart 3, respectively, of title IV of the Higher Education Act of 1965, as amended.

The Department will still refer to these individual deadline dates in its "Dear Partner" Letters that relate to each process we post on the Information for Financial Aid Professionals (IFAP) Web site.

**DEADLINE DATES:** The following table provides the deadline dates for the Campus-Based programs for the remainder of the current award year. In July 2002 we shall publish a notice for the 2002-2003 award year. Please note that an institution must meet the established deadline dates to ensure consideration for funding or a waiver, as appropriate.

(2) A legibly dated U.S. Postal Service postmark.

(3) A legibly dated shipping label, invoice, or receipt from a commercial courier.

If the request and documents are sent through the U.S. Postal Service, the Secretary does not accept either of the following as proof of mailing: (1) A private metered postmark or (2) a mail receipt that is not dated by the U.S. Postal Service. An institution should note that the U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, an institution should check with its local post office. An institution is encouraged to use certified or at least first-class mail.

The Department accepts commercial couriers or hand deliveries between 8 a.m. and 4:30 p.m., Eastern time, Monday through Friday except Federal holidays.

The LEAP and SLEAP programs, authorized under Title IV, Part A, Subpart 4 of the Higher Education Act of 1965 as amended (HEA), assist States in providing aid to students with substantial financial need to help them pay for their postsecondary education costs through matching formula grants to States. Under section 415C(a) of the

HEA, a State must submit an application to participate in the LEAP and SLEAP programs through the State agency that administered its LEAP Program as of July 1, 1985, unless the Governor of the State has subsequently designated, and the Department has approved, a different State agency to administer the LEAP Program.

**DATES:** To receive an allotment under the LEAP and SLEAP programs for Award Year 2002-2003, applications submitted electronically must be received by 11:59 p.m. (Eastern time) May 31, 2002. Paper applications must be received by May 24, 2002.

State allotments for each award year are determined according to the statutorily mandated formula under section 415B of the HEA and are not negotiable. In Award Year 2001-2002, 47 States, the District of Columbia, Guam, Northern Mariana Islands, Puerto Rico, and the Virgin Islands received funds under the LEAP Program. Additionally, 37 States, the District of Columbia, Guam, Northern Mariana Islands, Puerto Rico, and the Virgin Islands received funds under the SLEAP Program.
