This Notice also lists the following information:

*Title of Proposal:* Single Family Premium Collection Subsystem—Upfront.

*OMB Control Number, if applicable:* 2502-0423.

*Description of the need for the information and proposed use:* The Single Family Premium Collection Subsystem—Upfront (SFPCS-U) allows the lenders to remit the Upfront Mortgage Insurance Premiums using

funds obtained from the mortgagor during the closing of the mortgage transaction at settlement. The SFPCS-U strengthens HUD's ability to manage and process upfront single-family mortgage insurance premium collections and corrections to submitted data. It also improves data integrity for the Single Family Mortgage Insurance Program. Therefore, the FHA approved lenders use Automated Clearing House (ACH) and/or Electronic Data Interchange (EDI) applications for all transmissions with SFPCS-U. The authority for this collection of information is specified in 24 CFR 203.280 and 24 CFR 203.281. The collection of information is also used in calculating refunds due to former FHA mortgagors when they apply for homeowner refunds of the unearned portion of the mortgage insurance premium, 24 CFR 203.283, as appropriate. Without this information the premium collection/monitoring process would be severely impeded, and program data would be unreliable. In general, the lenders use the ACH and/or EDI applications to remit the upfront premium through SFPCS-U to obtain mortgage insurance for the homeowner.

*Agency form numbers, if applicable:* None.

*Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:* The public reporting burden for this collection of information is estimated to average 5 minutes per response; the number of respondents is 10,735 generating approximately 415,469 annual responses; the frequency of response is on occasion; the estimated total number of burden hours needed to prepare the information collection is 33,328.

*Status of the proposed information collection:* Extension of a currently approved collection.

**Authority:** The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: December 20, 2006.
