[CFDA NO. 84.031H]

Strengthening Institutions (SIP), American Indian Tribally Controlled Colleges and Universities (TCCU), Alaska Native and Native Hawaiian-Serving Institutions (ANNH) and Hispanic Serving Institutions (HSI) Programs; Notice Inviting Applications for Designation as Eligible Institutions for Fiscal Year (FY) 2002

Purpose of Programs: Under the SIP, TCCU, and ANNH Programs authorized under Part A of Title III of the Higher Education Act of 1965, as amended (HEA), institutions of higher education are eligible to apply for grants if they meet specific statutory and regulatory eligibility requirements. Similarly, HSIs are eligible to apply for grants under the HSI Program, authorized under Title V of the HEA, if they meet specific statutory and regulatory requirements.

In addition, an institution that is designated as an eligible institution under those programs may also receive a waiver of certain non-Federal share requirements under the Federal Supplemental Educational Opportunity Grant (FSEOG), the Federal Work Study (FWS), the Student Support Services (SSS) and the Undergraduate International Studies and Foreign Language (UISFL) Programs. These first three programs are authorized under Title IV of the HEA; the fourth program is authorized under Title VI of the HEA. Qualified institutions may receive these waivers even if they are not recipients of grant funds under the Title III Part A or Title V programs.

Special Note: To become eligible, your institution must satisfy a criterion related to needy student enrollment and one related to Educational and General (E&G) expenditures for a particular base year.

Because we changed the collection processes for determining the thresholds for these criteria, we do not have base year data beyond 1998-99. In order to award FY 2002 grants in a timely manner, we will use threshold data from base year 1998-99 rather than a later base year. In completing your eligibility application, therefore, you are to use data from the base year 1998-99.

Eligible Applicants: To qualify as an eligible institution under any of the programs included in this notice, an accredited institution must, among other requirements, have a high enrollment of needy students, and its E&G expenditures per full-time equivalent (FTE) undergraduate student must be low in comparison with the average E&G expenditures per FTE undergraduate student of institutions
