VI. Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 1

Amendment No. 1 revises the proposal to, among other things, change the minimum bid price requirement to a closing price, require that a security must have a \$4 closing price for at least five consecutive business days, rather than one day as originally proposed, before it will be reevaluated under both the qualitative and quantitative initial listing standards, and require daily publication of the list of securities that become subject to the penny stock rules. The Commission believes that the changes in Amendment No. 1 strengthen the proposal and, as discussed above, address concerns about the potential for manipulation. Accordingly, the Commission also finds good cause, pursuant to Section 19(b)(2)

of the Act,³⁹ for approving the proposed rule change, as modified by Amendment No. 1, prior to the 30th day after the date of publication of notice in the **Federal Register**.

VII. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁴⁰ that the proposed rule change (SR-NASDAQ-2012-002), as modified by Amendment No. 1, is approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁴¹

Kevin M. O'Neill,

Deputy Secretary.
