SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and

—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Abstract: The collection of this data ensures ATF recruiters can follow-up with potential applicants that have expressed an interest in ATF careers. This data collection is imperative to the accurate reporting of ATF's recruitment and outreach events which prioritize populations that are underrepresented within the agency. The data collected will be used to brief ATF management on the success/challenges of recruitment/outreach events and compiled to report efforts to DOJ via reports such as the Disabled Veterans Affirmative Action Program (DVAAP).
