

collection. The information filed with the Commission is mandatory.

4. *Necessity of the Collection of Information:* Submission of this information is necessary to enable the Commission to carry out its responsibilities in implementing the statutory provisions of sections 4(e) and 8 of the Federal Power Act (FPA). Section 4(e) authorizes the Commission to issue licenses for the construction, operation and maintenance of reservoirs, power houses and transmission lines or other facilities necessary for development and improvement of navigation and for the development, transmission, and utilization of power from bodies of water that Congress has jurisdiction over. Section 8 of the FPA provides that the voluntary transfer of any license can only be made with the written approval of the Commission. Any successor to the licensee may assign the rights of the original license but is subject to all of the conditions of the license.

The information filed with the Commission is mandatory requirement contained in the format of a written application for transfer of license, executed jointly by the parties to the proposed transfer. The transfer of a license may be occasioned by the sale or merger of a licensed hydroelectric project. It is used by the Commission's staff to determine the qualifications of the proposed transferee to hold the license, and to prepare the transfer of the license order. The Commission implements these requirements in the Code of Federal Regulations (CFR) under 18 CFR part 9 and 131.20.

5. *Respondent Description:* The respondent universe currently comprises 23 respondents (average) subject to the Commission's jurisdiction

6. *Estimated Burden:* 920 total hours, 23 respondents (average per year), 1 response per respondent, and 40 hours per response (average).

7. *Estimated Cost Burden to respondents:* 920 hours/2080 hours per years \times \$108,588 per year = \$48,029.

Statutory Authority: Sections 4(e) and 8 of the Federal Power Act (16 U.S.C. 792–828c).
