SUPPLEMENTARY INFORMATION:

Background

On July 23, 2020, Hyson Exports requested that Commerce conduct an expedited changed circumstances review, pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), 19 CFR 351.216, and 19 CFR 351.221(c)(3), to confirm that Hyson Exports is the successor-in-interest to Hyson Logistics for purposes of determining antidumping duty cash deposits and liabilities. In its submission, Hyson Exports stated that Hyson Logistics undertook a name change to Hyson Exports but is otherwise unchanged.¹

On September 15, 2020, Commerce initiated this changed circumstances review and published its notice of preliminary results, determining that Hyson Exports is the successor-in-interest to Hyson Logistics.² In the *Initiation and Preliminary Results*, we provided all interested parties with an opportunity to comment and request a public hearing regarding our preliminary finding that Hyson Exports is the successor-in-interest to Hyson Logistics.³ We received no comments or requests for a public hearing from interested parties within the time period set forth in the *Initiation and Preliminary Results*.⁴

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.⁵ The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15,

0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.

Final Results of Changed Circumstances Review

For the reasons stated in the *Initiation and Preliminary Results*, and because we received no comments from interested parties, Commerce continues to find that Hyson Exports is the successor-in-interest to Hyson Logistics. As a result of this determination and consistent with established practice, we find that Hyson Exports should receive the cash deposit rate previously assigned to Hyson Logistics. Consequently, Commerce will instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced or exported by Hyson Exports and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at 1.35 percent, which is the current antidumping duty cash deposit rate for Hyson Logistics.⁶ This cash deposit requirement shall remain in effect until further notice.

Notification to Interested Parties

We are issuing this determination and publishing these final results and notice in accordance with sections 751(b)(1) and 777(i)(1) and (2) of the Act and 19 CFR 351.216(e), 351.221(b), and 351.221(c)(3).

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty (AD) order on certain cold-drawn mechanical tubing of carbon and alloy steel (cold-drawn mechanical tubing) from the Federal Republic of Germany (Germany) for the period of review (POR) June 1, 2019, through May 31, 2020, based on the timely withdrawal of the request for review.

DATES: Applicable November 5, 2020.

FOR FURTHER INFORMATION CONTACT: Stephanie Berger, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2483.

Background

On June 2, 2020, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on cold-drawn mechanical tubing from Germany for the POR.¹ Pursuant to a timely request from

ArcelorMittal Tubular Products LLC, Michigan Seamless Tube, LLC, Plymouth Tube Co., PTC Alliance Corp., Webco Industries, Inc., and Zekelman Industries (the petitioners),² in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the antidumping duty order on cold-drawn mechanical tubing from Germany on August 6, 2020, with respect to five companies: BENTELER Steel/Tube GmbH (Benteler); BENTELER Distribution International GmbH (BDI); Mubea Fahrwerksfedern GmbH (Mubea Fahrwerksfedern); Salzgitter Mannesmann Line Pipe GmbH (Salzgitter Mannesmann Line Pipe); and Salzgitter Mannesmann Precision GmbH (Salzgitter Mannesmann Precision).³ On October 9, 2020, the petitioners timely withdrew their request for an administrative review of all of the companies named in their June 30, 2020, request for review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication date of the notice of initiation of the requested review. The petitioners, who were the only parties to request a review, withdrew their request within the 90-day deadline. Accordingly, we are rescinding the administrative review of cold-drawn mechanical tubing from Germany for the period June 1, 2019, through May 31, 2020, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of cold-drawn mechanical tubing from Germany. Antidumping duties shall be assessed at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment
