

for all of the MSPA worker disclosures under one OMB Control Number. Specifically, in order to improve its management of the information collections, the DOL seeks to combine Control Numbers 1235–0002, 1235–0009, and 1235–0010. The DOL is not otherwise changing the information to be disclosed and retained.

These information collections are subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is currently approved by the OMB under the PRA and displays the OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 5 CFR 1320.5(a) and 1320.6. The current OMB approval for Control Number 1235–0002 is scheduled to expire on February 28, 2011; however, it should be noted that information collections submitted to the OMB receive a month-to-month extension while they undergo review. Control Number 1235–0009 expires June 30, 2012, and 1235–0010 expires July 31, 2011. The DOL will seek to cancel these latter Control Numbers upon OMB approval of the current request to combine the information collection authorizations. For additional information, see the related notice published in the **Federal Register** on September 20, 2010 (75 FR 57296).

Ohio Decorative Products, Inc., Including On-Site Leased Workers From Custom Staffing, Spencerville, OH; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 7, 2011, applicable to workers of Ohio Decorative Products, Inc., Spencerville, Ohio. The workers are engaged in employment related to the production of decorative metal products for appliances. The Notice was published in the **Federal Register** on January 26, 2011 (76 FR 4728).

At the request of a petitioner, the Department reviewed the certification for workers of the subject firm. The subject firm reports that the workers leased from Custom Staffing were employed on-site at the Spencerville, Ohio location of Ohio Decorative Products, Inc. The Department has determined that these workers were sufficiently under the control of Ohio

Decorative Products, Inc. to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from Custom Staffing working on-site at the Spencerville, Ohio location of Ohio Decorative Products, Inc.

The amended notice applicable to TA–W–74,890 is hereby issued as follows:

All workers of Ohio Decorative Products, Inc., including on-site leased workers from Custom Staffing, Spencerville, Ohio, who became totally or partially separated from employment on or after November 11, 2009, through January 7, 2013, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.
