

quantities and of a satisfactory quality in order to meet the City's design specifications. The March 31, 2009 Delegation of Authority Memorandum provided Regional Administrators with the authority to issue exceptions to Section 1605 of ARRA within the geographic boundaries of their respective regions and with respect to requests by individual grant recipients. Having established both a proper basis to specify the particular good required for this project, and that this manufactured good was not available from a producer in the United States, the City is hereby granted a waiver from the Buy American requirements of Section 1605(a) of Public Law 111-5 for the purchase ORION® Water Meter Monitor with Leak Detection Indicator in-home water meter monitors manufactured in Malaysia by Escatech, Inc., under license from Badger Meter, Inc., located in Milwaukee, Wisconsin as specified in the City's request of November 23, 2009. This supplementary information constitutes the detailed written justification required by Section 1605(c) for waivers based on a finding under subsection (b).

Authority: P.L. 111-5, section 1605.

Issued on: February 11, 2010.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection Being Reviewed by the Federal Communications Commission, Comments Requested

February 17, 2010.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, 44 U.S.C. 3501-3520. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology and (e) ways to further reduce the information burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number.

DATES: Persons wishing to comment on this information collection should submit comments by April 26, 2010. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should

advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of Management and Budget (OMB), via fax at (202) 395-5167, or via e-mail at *Nicholas_A_Fraser@omb.eop.gov* and to Cathy Williams, Federal Communications Commission (FCC), via e-mail at *Cathy.Williams@fcc.gov* and to *PRA@fcc.gov*.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection send an e-mail to *PRA@fcc.gov* or contact Cathy Williams at (202) 418-2918.

The statutory authority for this information collection is in Sections 4(i) and 623(k) of the Communications Act of 1934, as amended.

Nature and Extent of Confidentiality: If individual respondents to this survey wish to request confidential treatment of any data provided in connection with this survey, they can do so upon written request, in accordance with Sections 0.457 and 0.459 of the Commission's rules. To receive confidential treatment of their data, respondents need only describe the specific information they wish to protect and provide an explanation of why such confidential treatment is appropriate.

Privacy Impact Assessment: No impact(s).

Needs and Uses: The Cable Television Consumer Protection and Competition Act of 1992 ("Cable Act") requires the Commission to publish annually a report on average rates for basic cable service, cable programming service, and equipment. The report must compare the prices charged by cable operators subject to effective competition and those that are not subject to effective competition. The Annual Cable Industry Price Survey is intended to collect the data needed to prepare that report. The
