[Jordan Cove Energy Project LP—Docket No. PF12-7-000; Pacific Connector Gas Pipeline LP—Docket No. PF12-17-000]

Notice of Intent To Prepare an Environmental Impact Statement for the Planned Jordan Cove Liquefaction and Pacific Connector Pipeline Projects, Request for Comments on Environmental Issues, and Notice of Public Scoping Meetings

The staff of the Federal Energy Regulatory Commission (FERC or Commission), in cooperation with other federal agencies, will prepare an environmental impact statement (EIS) that will discuss the environmental

impacts of Jordan Cove Energy Project LP's (Jordan Cove) proposed liquefaction project in Coos County, Oregon, and Pacific Connector Gas Pipeline LP's (Pacific Connector) proposed pipeline project crossing portions of Klamath, Jackson, Douglas, and Coos Counties, Oregon. The FERC is the lead federal agency in the preparation of an EIS to satisfy the requirements of the National Environmental Policy Act (NEPA). The United States (U.S.) Army Corps of Engineers (COE), U.S. Department of Energy Office of Fossil Energy (DOE), U.S. Department of Agriculture Forest Service (Forest Service), and the U.S. Department of the Interior Bureau of Land Management (BLM), Bureau of Reclamation (Reclamation), and Fish and Wildlife Service are cooperating agencies assisting the FERC in preparation of the EIS.

The Commission will use this EIS in its decision-making process, to determine whether the Jordan Cove liquefied natural gas (LNG) terminal is in the public interest, and whether the Pacific Connector pipeline is in the public convenience and necessity, in accordance with the Natural Gas Act (NGA). The BLM and Forest Service propose to adopt the FERC EIS in accordance with Title 40 Code of Federal Regulations (CFR) 1506.3 to support decisions and findings that must be made by each agency with respect to the Pacific Connector pipeline project.

This notice announces the opening of the scoping process the Commission, Forest Service, BLM, and Reclamation will use to gather input from the public and interested agencies on the planned projects. Your input will help the Commission staff determine what issues should be evaluated in the EIS. Please note that the scoping period will close on September 4, 2012.

You may submit comments in written form or verbally. Further details on how to submit written comments are in the Public Participation section of this notice. In lieu of or in addition to sending in written comments, the Commission invites you to make verbal comments¹ at the public scoping meetings scheduled as follows:
