SUPPLEMENTARY INFORMATION: This rule makes several changes to the United States Department of Agriculture's (USDA) delegations of authority in 7 CFR part 2 by adding new delegations and modifying existing delegations.

Overview of Changes*A. Under Secretary for Rural Development and Principal Deputy Chief Financial Officer*

Section 12407 of the Agriculture Improvement Act of 2018 (Pub. L. 115-334) amended Section 231 of the Department of Agriculture Reorganization Act of 1994 (7 U.S.C. 6941) to direct the Secretary to establish the position of Under Secretary for Rural Development (RD) as a permanent Presidentially appointed, Senate-confirmed position. The Secretary implemented this provision on August 12, 2019 by establishing the position of Under Secretary for RD and transferring the delegations of authority at 7 CFR 2.17, previously delegated to the Assistant to the Secretary for Rural Development, to the Under Secretary for RD, and realigning the agencies and entities of the RD mission area to report to the Under Secretary for RD. See SM 1076-031 available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1076-031>. The Secretary also reestablished the position of Deputy Under Secretary for RD and delegated to this position the authority to perform all the duties delegated to the Under Secretary for RD during the absence or unavailability of the Under Secretary. This rule accordingly updates the references to the former position of

Assistant to the Secretary for Rural Development throughout part 2 to read "Under Secretary for Rural Development," and adds a new section of delegations by the Under Secretary for RD to the Deputy Under Secretary for RD at 2.45.

In the same Secretary's Memorandum, the Secretary established a new position, Principal Deputy Chief Financial Officer. This rule revises the delegations of authority at 2.500 to reflect that the authorities previously delegated to the Deputy Chief Financial Officer have been transferred to the Principal Deputy Chief Financial Officer.

B. Agriculture Improvement Act of 2018

The Secretary previously delegated authorities under the Agriculture Improvement Act of 2018 ("the Act") in Secretary's Memorandum 1076-030 (July 1, 2019), available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1076-030>. This rule codifies those delegations and makes other changes to existing delegations required by the Act, as follows. Note that delegations of authority made by SM 1076-030 to conduct or prepare a one-time study, report, economic analysis, or similar activity remain in effect until such study, report, economic analysis, or similar activity is completed and are not reflected in this rulemaking.

Section 1203 of Title I of the Act amends section 1207(c) of the Agricultural Act of 2014 (7 U.S.C. 9037) to rename the Economic Adjustment Assistance to Users of Upland Cotton as "Economic Adjustment Assistance for Textile Mills," and revises Section 1207(c) of the Food, Conservation, and Energy Act of 2008 (7 U.S.C. 8737) to remove a redundant authority. This Rule revises the delegations of authority for the Under Secretary for Marketing and Regulatory Programs (MRP) at 2.22 and the Administrator for the Agricultural Marketing Service (AMS) at 2.79 to reflect that the Secretary transferred responsibility for administering this program from the Farm Service Agency (FSA) Deputy Administrator, Commodity Operations to the AMS Warehouse and Commodity Management Division as part of a Departmental reorganization in November 2017.

Section 1204 of the Act extends the authority for the Special Competitive Provisions for Extra Long Staple Cotton program at Section 1208 of the Agricultural Act of 2014 (7 U.S.C. 9038) through 2024 and revises the loan rate triggering payment. This rule revises the

delegations of authority for the Under Secretary MRP and the Administrator for AMS to reflect that the Secretary transferred responsibility for administering payments under subsections (c) and (d) of this authority from FSA to the AMS Warehouse and Commodity Management Division as part of a Departmental reorganization in November 2017. FSA continues to perform responsibilities under 7 U.S.C. 9038 under its general delegation of authority to administer programs of the Commodity Credit Corporation at 2.42(a)(45), through the Under Secretary for Farm Production and Conservation (FPAC) at 2.16(a)(1)(xxv).

Section 1601 amends section 196 of the Federal Agriculture Improvement and Reform Act of 1996 (7 U.S.C. 7333) concerning the noninsured crop assistance program (NAP). FSA continues to administer NAP under its general delegation of authority to administer programs of the Commodity Credit Corporation. This rule revises the delegations of authority to the Administrator of the Risk Management Agency (RMA) at 2.44, through the Under Secretary of FPAC, to include the authority to coordinate with the Administrator of FSA on the type and format of data collected under NAP to ensure that the data is available and useful in developing policies and plans offered under the Federal Crop Insurance Act.

Section 2301 of Title II of the Act made a number of amendments to chapter 4 of subtitle D of title XII of the Food Security Act of 1985 which resulted in changes to the existing statutory citations for conservation authorities delegated to the Chief of the Natural Resources Conservation Service (NRCS) at 2.43, through the Under Secretary for FPAC. This rule revises the delegations of authority for NRCS and FPAC to reflect the updated citations. In addition, this rule adds new delegations of authority for FPAC and NRCS for the feral swine eradication and control program authorized under section 2408 of the Act.

This rule revises the delegations of authority to the Under Secretary for Trade and Foreign Agricultural Affairs (TFAA) at 2.26 and the Administrator of the Foreign Agricultural Service (FAS) at 2.601 to include delegations for the following new authorities under Title III of the Act: Section 3307 (International Agricultural Education and Fellowship Program); section 3308 (International Food Security Technical Assistance); and section 3312 (Foreign Trade Missions).

The rule also revises the delegations of authority to the Director of the Office

of Tribal Relations (OTR) at 2.701, through the Director of the Office of Office of Partnerships and Public Engagement (OPPE) at 2.38, to include the authority to consult with the Under Secretary for TFAA on the implementation of section 3312 of the Act to support greater inclusion of Tribal agricultural food products in Federal trade activities. The Director of OTR continues to advise the Secretary on matters of policy related to Indian tribes and to serve as the primary point of contact in accessing Department-wide information regarding tribal issues.

Title IV of the Act provides three new authorities that require delegations. Section 4021 amends the Food and Nutrition Act of 2008 to authorize pilot projects to encourage the use of public-private partnerships committed to addressing food insecurity. This rule adds a new delegation of authority for the Director of the National Institute of Food and Agriculture (NIFA) at 2.66, through the Under Secretary for Research, Education, and Economics (REE) at 2.21, to administer this program in consultation with the Under Secretary for Food, Nutrition, and Consumer Services (FNCS) and Administrator of the Food and Nutrition Service (FNS). Section 4206 authorizes a micro-grant program to increase food security, which is delegated to the Under Secretary for MRP and the Administrator of AMS. This rule also revises the delegations of the Under Secretary for FNCS at 2.19 and the Administrator of FNS at 2.57 to include a new authority under section 4208 of the Act for health fluid milk incentive projects.

Sections 4018 and 4104 of the Act makes several changes to the Emergency Food Assistance Act of 1983 (EFAA). The authority to administer the EFAA is covered by existing delegations to the Under Secretary for FNCS and the Administrator of FNS; this rule revises those delegations to reflect that the EFAA has been amended and to update the U.S. Code citation for the EFAA, which is now located at 7 U.S.C. 7501 *et seq.*

Title V of the Act, at section 5413, includes a new authority requiring the Secretary to submit to Congress on an annual basis a report describing certain characteristics of producers receiving farm loans and aspects of the loans for each State and county of the United States, and to submit to Congress every five years a comprehensive review of all annual reports. This authority has been delegated to the Under Secretary of FPAC and redelegated to the Administrator of FSA.

Title VI of the Act, at section 6212, includes a new authority requiring the Secretary of Agriculture to consult with the Assistant Secretary of Commerce for Communications and Information to assist in the verification of eligibility of the broadband loan and grant programs of the Department of Agriculture (7 U.S.C. 950bb–6). This rule revises the delegations of authority for the Under Secretary for Rural Development (formerly the Assistant to the Secretary for Rural Development) at 2.17 and the delegations of authority for the Administrator of the Rural Utilities Service (RUS) at 2.47 to include this authority.

Section 6302 of the Act is a new provision directing the Secretary, in coordination with the Office of Tribal Relations, to provide technical assistance to improve access by Tribal entities to rural development programs funded by the Department of Agriculture through available cooperative agreement authorities (7 U.S.C. 2671). This rule delegates this authority to the Under Secretary for RD at 2.17 and redelegates the authority to the Administrators of RUS, the Rural Business Cooperative Service (RBS), and the Rural Housing Service (RHS) at 2.47, 2.48, and 2.49, respectively. It also revises the delegations of authority to the Director of OTR to reflect this new authority.

Section 6504 of the Act makes changes to the Rural Economic Development Loan and Grant program at sections 313 and 313B of the Rural Electrification Act of 1936. The authority to administer the grant programs had previously been delegated by the Under Secretary for RD to the Administrator of RBS at 2.48, and the general delegation of authority from the Under Secretary for RD to the RUS Administrator to administer the Rural Electrification Act of 1936 at 2.47 had expressly excluded the authority to administer the rural economic development loan and grant program. This rule revises the general delegation of authority to the RUS Administrator at 2.47(a)(1) to remove the exception for the administration of the rural economic development loan and grant program to reflect the Secretary's intent that the RUS Administrator have delegated authority for the program under the Rural Electrification Act.

Subtitle A of Title VII of the Act adds several sections to the National Agricultural Research, Extension, and Teaching Policy Act of 1977 that require new delegations of authority. Section 7110 of the Act (7 U.S.C. 3158) authorizes a next generation agriculture technology challenge competition to

incentivize mobile technology that removes marketplace entry barriers for beginning farmers and ranchers. Section 7116 of the Act (7 U.S.C. 2207d) directs the Secretary to prepare an annual report for Congress on disbursements of funds for agricultural research and extension at 1890 and 1862 Institutions under specific program authorities. Section 7117 (7 U.S.C. 3222a) authorizes grants to 1890 Institutions for purposes of awarding scholarships to individuals pursuing careers in the food and agricultural sciences, and section 7120 (7 U.S.C. 3222e) authorizes competitive grants to land-grant colleges and universities to provide support for Tribal students. Section 7126 (7 U.S.C. 3310a) authorizes competitive grants for the acquisition of special purpose scientific research equipment for use in the food and agricultural sciences programs of eligible institutions. This rule revises the delegations to reflect that all these authorities are delegated to the Under Secretary for REE and redelegated to the Director of NIFA.

Section 7123 of the Act (7 U.S.C. 3292) authorizes the Secretary to carry out several activities to promote cooperation and coordination between land grant institutions and international partner institutions in developing countries. This rule delegates the authority to carry out this section to the Administrator of the Agricultural Research Service (ARS) at 2.65 and the Director of NIFA, through the Under Secretary for REE, in coordination with the Administrator of FAS through the Under Secretary for TFAA, on the placement of interns from covered institutions in developing countries.

Section 7132 of the Act (7 U.S.C. 3319k) establishes a new pilot program, the Agriculture Advanced Research and Development Authority ("AGARDA"), which includes the authority to award grants and enter into contracts, cooperative agreements, and other transactions. The authority to administer the AGARDA program is delegated to the Under Secretary for REE.

Section 7212 of the Act (7 U.S.C. 5925g) authorizes the Secretary to make competitive grants to support development of urban, indoor, and other emerging agricultural production activities. This authority is delegated to the NIFA Director through the Under Secretary for REE. Section 7501 of the Act amends two sections of the Critical Agricultural Materials Act; this rule updates the language accompanying the existing delegations to the Under Secretary for REE and NIFA Director for these authorities codified at 7 U.S.C. 178–178n.

Section 7505 of the Act amends the Research Facilities Act to authorize a new competitive grant program to assist in the construction, alteration, acquisition, modernization, renovation, or remodeling of agricultural research facilities (7 U.S.C. 390b). This authority is delegated to the Director of NIFA through the Under Secretary for REE.

Section 7608 of the Act reauthorizes the Agriculture Innovation Center Demonstration Program under section 6402 of the Farm Security and Rural Investment Act of 2002. This rule revises the existing delegations of authority to the Under Secretary for RD at 2.17 and the Administrator, Rural Business-Cooperative Service (RBS) at 2.48 to reflect that this authority has been editorially reclassified from 7 U.S.C. 1621 note to 7 U.S.C. 1632b.

Section 7611 of the Act renames the Agriculture Conservation Experienced Services (ACES) program authorized under section 1252 of the Food Security Act of 1985 (16 U.S.C. 3851) the “Experienced Services Program” and expands the authority to cover technical, professional, and administrative services to support the Research, Education, and Economics mission area of the Department. This rule adds new delegations of authority for the expanded program authority to the Under Secretary for REE and NIFA.

Title VIII of the Act adds or amends several authorities requiring new delegations of authority. Section 8102 amends the Cooperative Forestry Assistance Act of 1978 to establish a competitive grant program to encourage science-based restoration of priority forest landscapes (16 U.S.C. 2109a). This authority is covered by the existing general delegations of authority to the Under Secretary for Natural Resources and Environment (NRE) and the Chief of the Forest Service at 2.20 and 2.60, respectively, to administer programs of cooperative forestry assistance. The rule also delegates the new authority under Section 8643 of the Act to administer a wood innovation grant program (7 U.S.C. 7655d) to the Under Secretary for NRE and the Chief of the Forest Service.

Section 8702 of the Act amends the Secure Rural Schools and Community Self-Determination Act of 2000 (16 U.S.C. 7125) to extend the Resource Advisory Committee functions and modify the membership requirements. This rule revises the delegations of authority to the Under Secretary for NRE and the Chief of the Forest Service to include the authority to administer the Secure Rural Schools payments to states program (16 U.S.C. 500; 16 U.S.C. 7101–7153); and to establish, maintain, and appoint members to Resource Advisory Committees (16 U.S.C. 7125). The Secretary previously delegated the authority to the Under Secretary for NRE to appoint members to the Secure Rural Schools Resource Advisory Committees in a Secretary’s Memorandum issued on November 28, 2019.

This rule adds new delegations to the Under Secretary for RD and the Administrator of RBS to carry out this program and revokes the delegations of authority for this program for the Assistant Secretary for Administration and the Director, Office of Property and Fleet Management at 2.24 and 2.90. The delegated authority to the Under Secretary for RD and the Administrator of RBS to implement the biobased market program includes the authority to administer and amend the regulations related to this program currently located at 7 CFR parts 3201 and 3202.

The delegations of authority are revised

to reflect that the Local Agriculture Market Program at 7 U.S.C. 1627c will be administered on a coordinated basis by the Under Secretary for RD, Administrator, RBS, Under Secretary for MRP, and Administrator, AMS.

The delegations of authority of the Chief Economist (2.29) and the Director of the Office of Pest Management Policy (OPMP) (2.75) are revised to include the new authority at Section 10103 of the Act to conduct a multiple crop and pesticide use survey.

Section 12105 of the Act amended the authority for the National Aquatic Health Plan under section 11013 of the Food, Conservation, and Energy Act of 2008 (7 U.S.C. 8322). under the newly established “Farmer Opportunities Training and Outreach” subheading. This rule revises the delegations of the Under Secretary for REE and the NIFA Administrator to update the citation for the beginning farmer and rancher development program, which continues to be administered by NIFA. Section 12519 of the Act authorizes the Secretary to noncompetitively convert to an appointment in the competitive service a recent graduate or student who is a United States citizen and has been awarded and successfully completed a scholarship program

granted to the individual by the Department through the 1890 National Scholars Program or the 1994 Tribal Scholars Program. This authority is delegated to the ASA at 2.24.

Section 12520 of the Act authorizes the Department to employ law enforcement officers or special agents to carry out protection operations for the Secretary, Deputy Secretary, and other specified individuals, and authorizes the law enforcement officers or special agents to carry firearms and make arrests without a warrant for any offense against the United States committed in the presence of the law enforcement officer or special agent, among other duties. The Secretary delegates the authority to administer these protective detail activities to the Chief Security Director of the newly established Office of Safety, Security and Protection (OSSP) at 2.94 through the ASA.

The rule revises the delegations of authority of the Under Secretary for MRP and the APHIS Administrator to include the authority at Section 12601 of the Act relating to baiting of migratory game birds.

The authority to administer the Citrus Trust Fund comes within the scope of the existing delegation to the Under Secretary of REE and the Administrator of NIFA to administer the Specialty Crop Research Initiative, so no revisions to the published delegations are needed.

Section 12607(b) of the Act authorizes the Secretary to collect and report data and analysis on farmland ownership, tenure, transition, and entry of beginning farmers and ranchers and socially disadvantaged farmers and ranchers. This authority is delegated to the Administrator of the National Agricultural Statistics Service (NASS) through the Under Secretary for REE.

C. Office of Safety, Security, and Protection

On September 13, 2019, the Secretary established a new Office of Safety, Security, and Protection (OSSP) within Departmental Administration. See SM 1076–032 available at <https://www.ocio.usda.gov/document/sm1076-032-office-safety-security-and-protection-091319>. OSSP is headed by a Chief Security Director who reports to the ASA. This rule adds a new section of delegations by the ASA to the Chief Security Director, OSSP at 2.94. In addition to the delegation for the protective services detail authorized by Section 12520 of the Act, described above, this rule also reflects that the following delegations of authority have been transferred to the Chief Security Director, OSSP: The delegations of the ASA previously delegated to the Director of OHS at 2.95 concerning the protection of physical facilities, and the delegations of the ASA previously delegated to the Director of the Office of Operations at 2.96 concerning maintenance of the physical security program at USDA facilities in the National Capital Region.

D. Realignment of the Office of the Chief Information Officer and the Departmental Freedom of Information Act (FOIA) Office

In September 2019, the Secretary realigned the Office of the Chief Information Officer (OCIO) from its previous organizational location in the Departmental Administration mission area, under the supervision of the ASA, to report directly to the Office of the Secretary. See SM 1076–034 available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1076-034>. The Secretary also transferred the Departmental Freedom of Information Act (FOIA) Office from OCIO to the Office of the General Counsel (OGC) and designated the General Counsel as the Chief FOIA Officer. See SM 1076–033 available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1076-033>.

This rule accordingly reassigns the delegations of authority related to FOIA previously delegated to the ASA in 2.24 to the General Counsel in 2.31. The delegations of authority to the ASA related to information technology and information resources are removed. The delegations of authority to the Chief Information Officer, previously located at 2.89 under Subpart P—Delegations of Authority by the Assistant Secretary for Administration, are now located at 2.32 under Subpart D—Delegations of

Authority to Other General Officers and Agency Heads.

E. Office of Customer Experience

In February 2018, the Secretary established an Office of Customer Experience in the Departmental Administration mission area to provide coordination for efforts to improve customer service across the Department. See SM 1076–022 available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1076-022>. This authority was extended in Secretary's Memorandum 1076–030 on July 1, 2019. This rule adds a new delegation for the ASA to coordinate efforts to improve customer service to reflect that the Office of Customer Experience is under the purview of Departmental Administration.

F. Miscellaneous Revisions

In 2017, the Office of the Law Revision Council editorially reclassified several sections of the U.S. Code formerly located at 7 U.S.C. 450a *et seq.* to other locations in Title 7 of the U.S. Code. This rule revises citations throughout Part 2 to reflect the current U.S. Code citations for these sections, to correct other outdated or mistaken citations, and to delete obsolete authorities. Due to the number of updates to the statutory citations for authorities delegated to the Forest Service and the need to renumber paragraphs, this rule revises the full text of the delegations of the Under Secretary for NRE at 2.20(a)(2) and the Chief of the Forest Service at 2.60(a) rather than providing individual amendments.

Classification

This rule relates to internal agency management. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the **Federal Register**. This rule also is exempt from the provisions of Executive Orders 12866 and 13771. This action is not a rule as defined by the Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601 *et seq.*, or the Congressional Review Act, 5 U.S.C. 801 *et seq.*, and thus is exempt from the provisions of those acts. This rule contains no information collection or recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).
