

including specific challenges associated with exporting;

2. Trade policy development and negotiations relating to U.S. renewable energy and energy efficiency exports;

3. U.S. Government programs to encourage U.S. producers of renewable energy and energy efficiency technologies, goods and services to enter foreign markets and enhance the competitiveness of the renewable energy and energy efficiency industry;

4. The effects of domestic policies, regulations, and programs on the competitiveness of U.S. renewable energy and energy efficiency companies;

5. Priority export markets for the renewable energy and energy efficiency industries, both in the short- and long-term;

6. Industry and trade association export promotion programs, and improved resource allocation for export promotion efforts; and

7. Policies and practices of foreign governments impacting the export of U.S. renewable energy and energy efficiency goods, services and technologies.

II. Structure, Membership, and Operation

The Committee shall consist of approximately 30 members appointed by the Secretary in accordance with applicable Department of Commerce guidance and based on their ability to carry out the objectives of the Committee. Members shall represent U.S. companies, U.S. trade associations, and U.S. private sector organizations with activities focused on the competitiveness of U.S. renewable energy and energy efficiency goods and services. Members shall reflect the diversity of this sector, including in terms of entity or organization size, geographic location, and subsector represented. The Secretary shall appoint to the Committee at least one individual representing each of the following:

- a. A U.S. renewable energy company.
- b. A U.S. energy efficiency company.
- c. A U.S. small business in the renewable energy or energy efficiency industry that is involved in international trade.
- d. A U.S. trade association in the renewable energy sector.
- e. A U.S. trade association in the energy efficiency sector.
- f. A U.S. private sector organization involved with activities concerning the international trade of renewable energy and energy efficiency products and services.

Members, all of whom come from the private sector, shall serve in a representative capacity, expressing the

views and interests of a U.S. entity or organization, as well as their particular subsector; they are, therefore, not Special Government Employees. Each member of the Committee must be a U.S. citizen, and not registered as a foreign agent under the Foreign Agents Registration Act. Additionally, a member must not be a Federally registered lobbyist. No member may represent a company that is majority owned or controlled by a foreign government entity or entities. Appointments will be made without regard to political affiliation.

Members shall serve at the pleasure of the Secretary from the date of appointment to the COMMITTEE to the date on which the COMMITTEE's charter terminates (normally two years).

The Secretary shall designate the Committee Chair and Vice Chair from selections made by the members. The Chair and Vice Chair will serve in those positions at the pleasure of the Secretary.

The Department, through the Assistant Secretary for Manufacturing and Services, may establish subcommittees or working groups from among the Committee's members as may be necessary, and consistent with FACA, the FACA implementing regulations, and applicable Department of Commerce policies. Such subcommittees or working groups may not function independently of the chartered committee and must report their recommendations and advice to the Committee for full deliberation and discussion. Subcommittees or working groups have no authority to make decisions on behalf of the Committee nor can they report directly to the Secretary or his or her designee.

The Assistant Secretary for Manufacturing and Services shall designate a Designated Federal Officer (DFO) from among the employees of the Office of Energy and Environmental Industries. The DFO will approve or call all of the advisory committee meetings, prepare and approve all meeting agendas, attend all committee meetings, adjourn any meeting when the DFO determines adjournment to be in the public interest, and chair meetings when directed to do so by the Secretary.

The Assistant Secretary for Manufacturing and Services also shall designate the Committee's Executive Director from among the employees of the Manufacturing and Services unit.

III. Meetings

The Committee shall, to the extent practicable, meet approximately three times a year. Additional meetings may

be called at the discretion of the Secretary or his designee.

IV. Compensation

Members of the COMMITTEE will not be compensated for their services or reimbursed for their travel expenses.

Dated: June 17, 2010.

Edward A. O'Malley,

Director, Office of Energy and Environmental Industries.

Fisheries of the South Atlantic; South Atlantic Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public meeting.

SUMMARY: The South Atlantic Fishery Management Council (Council) will hold a meeting of its Law Enforcement Advisory Panel (LEAP) in North Charleston, SC. See **SUPPLEMENTARY INFORMATION**.

DATES: The meeting will take place August 10-11, 2010. The LEAP will meet from 1:30 p.m. to 5 p.m. on August 10, and from 9 a.m. until 5 p.m. on August 11, 2010.

ADDRESSES: The meeting will be held at the Hilton Garden Inn, 5265 International Boulevard, North Charleston, SC; telephone: (843) 308-9330.

Council address: South Atlantic Fishery Management Council, 4055 Faber Place Drive, Suite 201, N. Charleston, SC, 29405.

FOR FURTHER INFORMATION CONTACT: Kim Iverson, Public Information Officer; telephone: (843) 571-4366 or toll free (866) SAFMC-10; fax: (843) 769-4520; email: kim.iverson@safmc.net.

SUPPLEMENTARY INFORMATION: The LEAP will select a vice-chairman, establish criteria for selection of a Law Enforcement Officer of the Year Award, receive a presentation on Surveillance and Enforcement of Remote Marine Protected Areas (SERMA) in the South Atlantic, and receive updates on state enforcement efforts of 2010 snapper grouper fishery closures. The SERMA effort in the South Atlantic region is part of a larger effort by the Marine

Conservation Biology Institute (MCBI) which addresses the challenges of enforcing regulations within the vast new Marine Protected Areas that are emerging around the globe. To address needs specific to the South Atlantic region, MCBI is conducting a comprehensive review of federal and state law enforcement assets in the region. A South Atlantic workshop is being planned in for 2011 to address use of current and emerging technologies for effective surveillance, increase collaboration between law enforcement agencies, incorporate law enforcement suggestions into regulations, disseminate technology information to law enforcement personnel in the field and discuss approaches to increase compliance. The LEAP will develop recommendations to the Council on how to apply SERMA efforts in the region to accomplish the above objectives.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for auxiliary aids should be directed to the Council office (see **ADDRESSES**) 3 days prior to the meeting.

NOTE: The times and sequence specified in this agenda are subject to change.

Dated: June 17, 2010.
