

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Add § 165.931 to read as follows:

§ 165.931 Safety Zone, Chicago Harbor, Navy Pier Southeast, Chicago IL.

(a) *Location.* The following area is a safety zone: The waters of Lake Michigan within Chicago Harbor between the east end of the Chicago Lock guidewall and the Chicago Harbor breakwater beginning at 41°53'24" N, 087°35'26" W; then south to 41°53'09" N, 087°35'26" W; then east to 41°53'09" N, 087°36'09" W; then north to 41°53'24" N, 087°36'09" W; then back to the point of origin.

(b) *Definitions.* The following definitions apply to this section:

(1) *Designated representative* means any Coast Guard commissioned, warrant, or petty officer designated by the Captain of the Port Lake Michigan to monitor this safety zone, permit entry into this zone, give legally enforceable orders to persons or vessels within this zone and take other actions authorized by the Captain of the Port.

(2) *Public vessel* means vessels owned, chartered, or operated by the United States, or by a State or political subdivision thereof.

(c) *Regulations.* (1) The general regulations in 33 CFR 165.23 apply.

(2) All persons and vessels must comply with the instructions of the Coast Guard Captain of the Port or a designated representative. Upon being hailed by the U.S. Coast Guard by siren, radio, flashing light or other means, the operator of a vessel shall proceed as directed.

(4) All vessels must obtain permission from the Captain of the Port or a designated representative to enter, move within or exit the safety zone established in this section when this safety zone is enforced. Vessels and persons granted permission to enter the safety zone shall obey all lawful orders or directions of the Captain of the Port or a designated representative. While within a safety zone, all vessels shall operate at the minimum speed necessary to maintain a safe course.

(d) *Notice of Enforcement or Suspension of Enforcement.* The safety zone established by this section will be enforced only upon notice of the Captain of the Port. The Captain of the Port will cause notice of enforcement of

the safety zone established by this section to be made by all appropriate means to the affected segments of the public including publication in the **Federal Register** as practicable, in accordance with 33 CFR 165.7(a). Such means of notification may also include, but are not limited to Broadcast Notice to Mariners or Local Notice to Mariners. The Captain of the Port will issue a Broadcast Notice to Mariners notifying the public when enforcement of the safety zone established by this section is suspended.

(e) *Exemption.* Public vessels as defined in paragraph (b) of this section are exempt from the requirements in this section.

(f) *Waiver.* For any vessel, the Captain of the Port Lake Michigan or a designated representative may waive any of the requirements of this section, upon finding that operational conditions or other circumstances are such that application of this section is unnecessary or impractical for the purposes of safety or environmental safety.

Dated: March 12, 2007.

Bruce C. Jones,

Captain, U.S. Coast Guard, Captain of the Port Lake Michigan.

Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port Lake Michigan Zone

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes establishment of safety zones for annual events in the Captain of the Port Lake Michigan zone. This proposed rule is intended to restrict vessels from portions of water and shore areas during events that pose a hazard to public safety. The safety zones established by this proposed rule are necessary to protect spectators, participants, and vessels from the hazards associated with fireworks displays, air shows, and other events.

DATES: Comments and related materials must reach the Coast Guard on or before June 4, 2007.

ADDRESSES: You may mail comments and related material to Commander, Coast Guard Sector Lake Michigan (spw), 2420 South Lincoln Memorial Drive, Milwaukee, WI 53207. Sector Lake Michigan Prevention Department maintains the public docket for this rulemaking. Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, will become part of this docket and will be available for inspection or copying at the Coast Guard Sector Lake Michigan Prevention Office between 8 a.m. and 3 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: CWO Brad Hinken, Prevention Department, Coast Guard Sector Lake Michigan, Milwaukee, WI at (414) 747–7154.

SUPPLEMENTARY INFORMATION:**Request for Comments**

We encourage you to participate in this rulemaking by submitting comments and related material. If you do so, please include your name and address, identify the docket number for this rulemaking [CGD09–07–005], indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for a meeting by writing to Commander, Coast Guard Sector Lake Michigan (SPW) at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

In 2005 the Coast Guard consolidated the Captain of the Port Milwaukee Zone and the Captain of the Port Chicago Zone and realigned the boundaries of the Captain of the Port Sault Ste. Marine zone to create the Captain of the Port Lake Michigan zone. This proposed rule will consolidate the regulations found in 33 CFR 165.909, Safety Zones; Annual fireworks events in the Captain of the Port Milwaukee Zone and 33 CFR

165.918, Safety Zones; Annual fireworks events in the Captain of the Port Chicago Zone into one rule that will include all safety zones for annual events in the Captain of the Port Lake Michigan Zone. This proposed rule will also add several annual events not previously listed in 33 CFR part 165 and remove several events that no longer occur annually or do not require a safety zone. These safety zones are necessary to protect vessels and people from the hazards associated with fireworks displays, air shows, or other events. Such hazards include obstructions to the waterway that may cause marine casualties and the explosive danger of fireworks and debris falling into the water that may cause death or serious bodily harm.

Discussion of Proposed Rule

The proposed rule and associated safety zones are necessary to ensure the safety of vessels and people during events in the Captain of the Port Lake Michigan area of responsibility that may pose a hazard to the public. The proposed safety zones and associated events are described in subparagraphs (1) through (81) of this regulation. The proposed safety zones will be enforced only immediately before and during events that pose hazard to the public. If the event concludes prior to the scheduled termination time, the Coast Guard will cease enforcement of the safety zone and will announce that fact via Broadcast Notice to Mariners or Local notice to Mariners.

Regulatory Evaluation

This proposed rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation is unnecessary.

The Coast Guard's use of these safety zones will be periodic in nature, of short duration, and designed to minimize the impact on navigable waters. These safety zones will only be enforced immediately before and during the time the events are occurring. Furthermore, these safety zones have been designed to allow vessels to transit unrestricted to portions of the waterways not affected by the safety zones. The Coast Guard expects insignificant adverse impact to mariners from the activation of these safety zones.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

This proposed rule would affect the following entities, some of which might be small entities: The owners and operators of vessels intending to transit or anchor in the areas designated as safety zones during the dates and times the safety zones are being enforced. These safety zones would not have a significant economic impact on a substantial number of small entities for the following reasons. The safety zones in this proposed rule would be in effect for short periods of time and only once per year. The safety zones have been designed to allow traffic to pass safely around the zone whenever possible and vessels will be allowed to pass through the zones with the permission of the Captain of the Port.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this proposed rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact CWO Brad Hinken, Prevention Department, Coast Guard Sector Lake Michigan, Milwaukee, WI at (414) 747–7154. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This proposed rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule will not result in such an expenditure, we do discuss the effects of this proposed rule elsewhere in this preamble.

Taking of Private Property

This proposed rule will not effect the taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This proposed rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

The Coast Guard recognizes the treaty rights of Native American Tribes. Moreover, the Coast Guard is committed to working with Tribal Governments to implement local policies and to mitigate tribal concerns. We have determined that these safety zones and fishing rights

protection need not be incompatible. We have also determined that this Proposed Rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. Nevertheless, Indian Tribes that have questions concerning the provisions of this Proposed Rule or options for compliance are encouraged to contact the point of contact listed under **FOR FURTHER INFORMATION CONTACT**.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969

(NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, we believe this proposed rule should be categorically excluded, under figure 2–1, paragraph 34 (g) of the Instruction from further environmental documentation. This proposed rule establishes a safety zone and as such is covered by this paragraph.

A preliminary "Environmental Analysis Check List" and a preliminary "Categorical Exclusion Determination" are available in the docket where indicated under **ADDRESSES**. Comments on this section will be considered before we make the final decision on whether the proposed rule should be categorically excluded from further environmental review.

(2) Public vessel means vessels owned, chartered, or operated by the United States, or by a State or political subdivision thereof.

(c) *Regulations.* (1) The general regulations in 33 CFR 165.23 apply.

(2) All persons and vessels must comply with the instructions of the Coast Guard Captain of the Port or a designated representative. Upon being hailed by the U.S. Coast Guard by siren, radio, flashing light or other means, the operator of a vessel shall proceed as directed.

(3) All vessels must obtain permission from the Captain of the Port or a designated representative to enter, move within or exit the safety zone established in this section when this safety zone is enforced. Vessels and persons granted permission to enter the safety zone shall obey all lawful orders or directions of the Captain of the Port or a designated representative. While within a safety zone, all vessels shall operate at the minimum speed necessary to maintain a safe course.

(d) *Suspension of Enforcement.* If the event concludes earlier than scheduled, the Captain of the Port or a designated representative will issue a Broadcast Notice to Mariners notifying the public when enforcement of the safety zone established by this section is suspended.

(e) *Exemption.* Public vessels as defined in paragraph (b) of this section are exempt from the requirements in this section.

(f) *Waiver.* For any vessel, the Captain of the Port Lake Michigan or a designated representative may waive any of the requirements of this section, upon finding that operational

conditions or other circumstances are such that application of this section is unnecessary or impractical for the purposes of safety or environmental safety.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for a meeting by writing to the Sector Lake Michigan Prevention Department at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

There are approximately twenty fireworks displays launched annually at Lakeshore State Park in Milwaukee, WI. The fireworks displays are sponsored festivals located at Henry W. Maier Festival Park. The fireworks displays impact the navigable waters of Milwaukee Harbor and pose a hazard to vessels and people. The purpose of this proposed rule is to establish a limited access area around the fireworks launch site to protect vessels and people from the hazards associated with fireworks displays. Such hazards include the explosive danger of fireworks and debris falling into the water that may cause death or serious bodily harm.

Discussion of Proposed Rule

The proposed safety zone is necessary to ensure the safety of spectators and vessels during the setup, loading, and launching of fireworks displays at Lakeshore State Park in Milwaukee, WI, in conjunction with festivals at Henry W. Maier Festival Park. The proposed safety zone encompasses the waters of Lake Michigan within Milwaukee Harbor adjacent to the Lakeshore State Park and Henry W. Maier Festival Park. The proposed safety zone will be enforced only immediately before and during fireworks displays and only
